Reinhardt Named Board President

2100 Visit 'Y' During Open House Program

Approximately 2100 persons visited the YMCA Monday night during an open house program from 7:30 to 9 p.m., preceded by a meeting of members in which new officers for the 1965 year were elected and other business transacted.

In the meeting held from 6 to 7 p.m. in the Y auditorium, Milton Reinhardt was elected president of the board to succeed H. D. Karandjef. Charles Meyer was elected vice-president to succeed Reinhardt and Harold Fischer was re-elected vice-president. Mrs. Harry Epstein was re-elected secretary and Wensel Brown was re-elected treasurer. Board members elected for three-year terms included Mrs. Epstein, Thomas Griffin, William Huelocher, Karandjef, Edwin Reiske, Harold Thomas, Meyer and Col. Charles Schweizer. Four board members to fill unexpired terms also were elected. They included Keith Stanford, to fill the term of Mrs. Floyd Mitchell; Dr. Raymond Troyer to fill the term of Elmer Kinkaid; Frank Res, to fill the term of Harold Kaiser, and William Thoeke, to fill the term of Mrs. Ruth Townsend.

Follow Fitness Theme
The open house program was planned on the theme of "Think Y.M.C.A. for Fun, Fitness and Fellowship." Guests were greeted by members of the Y staff and the advisory board of directors. A variety of exhibits and demonstrations showed the wide range of activities conducted at the Y. Music students provided a program of organ music from 9 to 9 p.m. in the Teen Town lobby and six basic areas of the Y were represented in the program—Youth, Teen Town, Junior High, Senior High, Adult men.

Granite City PRESS-RECORD
Page 4 Thurs., Mar. 18, 1965

NEW PRESIDENT OF THE YMCA
board of directors elected Monday night is Milton Reinhardt of the Reinhardt Agency.

and women's activities and associated groups and clubs. Ten different demonstrations also were presented in the gymnasium.

In a report presented in connection with the open house and business meeting, it was pointed out that during the 1964 year, the "Y" served 2343 different persons as members in 4614 class enrollment sessions with a total participation count of 107,000 persons. For non-members who are associated with and use "Y" facilities, the organization held 1844 enrollment class sessions serving a total of 15,899 persons. In addition, attendance at special events which are not regularly scheduled, such as swim meets, tournaments and award meetings, topped 17,000 persons. This brings to 140,888 the number of persons served by the organization during the year.

The report showed receipts of \$120,087 during the year, including \$3564 from fees and use of meeting rooms, \$22,743 from membership fees, \$26,449 from residence income and \$51,252

from the United Fund. Major disbursements included \$36,894 in staff salaries, \$8494 in teen-town salaries, \$13,968 in other salaries, \$18,358 for maintenance and household costs, \$10,354 for utilities and \$5583 for programs and supplies.

A complete listing of the YMCA staff was included in the report. The staff members are: C. A. McMillan, general secretary; Connie Becerra, Myrtle Bell, Brian Brynman, Orle Bunker, David Cunningham, Dora Darnell, James Fielder, John Forsdale, Betty Fuchs, Len Fuchs, Bonnie Fuller, Marcella Herman, John Holmes, Earl Therig, Mike Jesse, Shirley Kallner, Phillip Karandjef, Vera Kirkpatrick, Robert Kurth, Maurice Lambert, Bill Lierman, Ralph Limberg, Nellie Lippard, Mike McMillan, Joe Mayor, Donald Mayberry, Fred McColegan, Jack McCoy, Clarence McKeel Jr., Ruben Mendoza, James Moran, Joseph Nemeth, Genna Norman, Lee Pfaff, Alton Randall Jr., Tynn Rider, Louise Res, Daniel Smith, James Taylor, George Tatum, David Walker, Faith Walker, Wayne Wallace, David Williams, Walter Williams and Jackie Woods.

Lawyer Sues for Fees
Attorney Harry E. Hartman has filed suit against a former client in a criminal action, Alfred Grissom of Eagle Park Acres, in an attempt to collect a \$310 balance due in a total attorney fee of \$500. Hartman was retained Feb. 2, 1964, to defend Grissom, charged with voluntarily manslaughter in the death of an 18-year-old mother. He obtained three years probation on the charge.

For Boys 10 and Over

Classes on Gun Handling Planned by GC Kiwanis

Granite City Kiwanis Club will sponsor a series of classes for boys ten years and older in safe handling of guns, it was decided Monday night, after club members heard an inspiring talk by Donald Hastings of Edwardsville, Madison county conservation officer. Dates and locations of the classes will be announced at a later meeting.

Hastings, who chose as his topics, safety measures in handling weapons and local conservation practices, related several instances where youths incurred injuries with guns due to little or no knowledge of their mechanisms, or proper types of ammunition. He also discussed stocking fish ponds and illegal trapping by commercial fishermen.

Of special interest to local quail hunters, Hastings reported, the state has discontinued releasing quail in Madison county due to free birds immediately migrating northward on their release. He added that no specific new equipment in their preference in habitat can be determined.

In other action, the members also approved a sponsorship of a junior division baseball team in the Granite City park league and allocated funds to pay for new equipment.

Herbert R. Shannott presided at the dinner meeting, which was attended by 20 members.

Grand Jury Will Convene Monday On Crime Cases

The Madison county grand jury is to convene Monday morning to consider an undetermined number of criminal cases, according to State's Atty. Joseph Fraundorfer.

At least 13 Quad-City area cases, involving 15 individuals, are pending grand jury action. They are bind-over cases since January.

Included are three persons charged with the murder of Aaron Leggett Feb. 4 at the Arlington Heights golf course. They are Ernest Lloyd Nicholas, 47, and Paul David Kelly, 19, both of Chicago, and Charles Ernest Nicholas, 21, of 2728 Dale avenue. The two youths also are charged in separate theft cases.

The other cases involve armed robbery, burglary, theft and aggravated battery.

Open House to Honor Park Instructors

An open house to honor Miss Cheryl Oradood and John Birdsong, recreational instructors for the Granite City park district, is planned for 7:30 tonight at the community center, 822 Niedringhaus avenue. Both instructors will receive plaques in recognition of their personal efforts.

The open house is being sponsored by several women who have children in park district activities, and who themselves are former participants in district-sponsored programs. Coffee and cake will be served and the event is open to the public.

Those in charge of arrangements are Mrs. Elizabeth Stephens, Mrs. Marlene Mannogian, Mrs. Olivia Kunnemoen, Mrs. Peggy Hackney, Mrs. Janet Lentz and Mrs. Mary Frintzko.

Partney Names 16 Campaign Coordinators

Donald Partney, Fourth Ward alderman and candidate for mayor, reported this week that a large number of volunteer workers has resulted in a complete reorganization of his "Granite City Good Government Group" to provide efficiency and prevent duplication of efforts.

Named as co-ordinators for the volunteer workers were William Dallas and Mrs. Virginia O'Beary of the First Ward; William Mihai and Eugene Burnett of the Second Ward; Frank Fuzessery of

the Third Ward; Dempsey Cross, John Zikowski and Howard Stopkotte for the Fourth Ward; David McFarland and Herman Raab for the Fifth Ward; Robert Kelly and Vasil Eftimoff for the Sixth Ward; Harold Hillmer and Mrs. Florence Stegelmeyer for the Seventh Ward; Cy Walker and Ralph Elliott for the Eighth Ward.

Outlet Circle

High society gets some people out of their orbit and many are lost in space.

The Proof

Cool craftsmanship always outclasses all other kinds of pull in the long run.

Park League Meetings Scheduled Next Week; Eight Pilots Sought

Meetings for four divisions of the Granite City park district's boys' baseball program are scheduled next week, according to director Harold Brown.

The Atom Division meets Monday, the Bantam on Tuesday, the Midget on Thursday and the Juvenile on Friday. All divisions are asked to attend the 7:30 p.m. meetings.

Teams will receive assignments to the various leagues, roster sheets, practice fields and tickets for sale to honorary league members.

Brown said the park office has 125 boys to be placed on teams and eight managers for new teams are needed. Four managers are needed in the Atom Division, two in the Bantam, one in the Midget and one in the Juvenile.

Maxvill Hitting .400 (2-for-5) for Cards

Dale Maxvill is a 400 hitter so far with the St. Louis Cardinals in spring training.

The Granite City infielder has two hits in five attempts. He rapped a single Monday night to the Cincinnati Reds topped the Cards 8-6. He went 0-for-1 Tuesday in a 5-1 loss to the Los Angeles Dodgers. He played second base in both games.

Maxvill did not play in yesterday's 6-4 setback doled out to the Pittsburgh Pirates. Regular second sacker Julian Javier made his first spring game appearance after being sidelined with a stomach virus. The Red Birds have a 2-3 Grapefruit League record.

Water Main Concern For Wildlife Week

This is National Wildlife Week and the emphasis is on maintaining clean water. The motto is: "Fight Dirty Water."

William T. Lodge, director of the Illinois Department of Conservation, is urging everyone to help end pollution of lakes, streams and rivers. Clean water, he said, is essential to cities, farmers, industry and sportsmen.

"Many streams and rivers in Illinois are polluted to some degree or sit from industrial waste," he said. "Often a lawsuit, injunction or fine is necessary to convince someone that they have an obligation to the people living downstream."

Lodge said 320 billion gallons of water are used in the United States now and that twice that amount will be needed in 15 years.

Six Persons Hurt In 14 Accidents in Quad-Cities Area

Four auto accidents which occurred in the Quad-Cities area since Monday, according to city, county and state police.

James McLaughlin of Granite City was injured when a car driven by Gerald Ladd, Collinsville, went out of control, ran off the road then turned over at 8:30 p.m. Wednesday on Highway 161, a mile west of Royce Heights road near Belleville. Both men were taken to Belleville Memorial Hospital.

Richard Kerch, 48, of 2910 State street, complained of pains when an R. Dron Electrical Co. station wagon he was driving was struck from behind by a car driven by Thomas G. Thomas, 1745 Kennedy blvd., Collinsville, as observed a school stop sign at 4:35 p.m. Monday at 3133 Fehlbauer. Both vehicles were damaged.

A woman seated in a car parked on 19th street at Edison avenue was struck by a tractor-trailer truck driven by Joe Carlom Meier, 1745 Kennedy blvd., Collinsville, which made a left turn onto 19th street and struck the auto in the left rear.

Open Division entrants include John Evenden, Steve Cavanaugh, Skip MacMillan, Rich Blocker and Bill Fuchs. The tourney opens at 7 p.m. tomorrow and continues with semi-finals Saturday.

Open Division entrants include John Evenden, Steve Cavanaugh, Skip MacMillan, Rich Blocker and Bill Fuchs. The tourney opens at 7 p.m. tomorrow and continues with semi-finals Saturday.

In the Junior Division will be Robert Keener, Thomas Niebur, Rich Logan, Kevin Niebur, John Niebur, Robert Richert, Scott Sego, Mark Sego, Brian Dierich, Michael George, Philip Green and Jeff Huebner.

Miss, Rousio, Fuchs, Bell and Andrea will wrestle untached to protect their remaining high school eligibility. The three will represent the local YMCA.

Local Wrestlers In Ozark Tourney

A group of Granite City boys will compete in the Ozark A.M.E. wrestling tournament this weekend at Rifeur high school. The tourney opens at 7 p.m. tomorrow and continues with semi-finals Saturday.

Open Division entrants include John Evenden, Steve Cavanaugh, Skip MacMillan, Rich Blocker and Bill Fuchs. The tourney opens at 7 p.m. tomorrow and continues with semi-finals Saturday.

Open Division entrants include John Evenden, Steve Cavanaugh, Skip MacMillan, Rich Blocker and Bill Fuchs. The tourney opens at 7 p.m. tomorrow and continues with semi-finals Saturday.

Baseball Rules Meeting

A baseball rules interpretation meeting for umpires has been scheduled by the Illinois High School Association for 8 p.m. Tuesday at Belleville town hall high school. Roy Gehne will be in charge.

"FAT" RICH FOR CITY TREASURER

The Madison county sheriff's report said that Trele's auto skidded around a curve, slid into a car driven by Dale Henderson, Edwardsville, and caused another driver by Oscar Holzhack, Coffey, to crash into the back of the Henderson car.

Two Youngsters Hurt
Two youngsters admitted yesterday for overnight observation at St. Elizabeth Hospital were Robert Keith, 5 son of Mr. and Mrs. Robert Keith, 2030 Hildebrand street, Madison, who suffered a head injury at school, and Kathy Peck, 3 daughter of Mr. and Mrs. Russell Peck, Collinsville, who consumed an unknown quantity of baby aspirin.

Woman Ejected
The council also called for bids to extend sidewalks from three to five-foot sidewalks on Second, Third, Big Sell, Franklin, Webster, Jackson, West Washington and Jefferson streets to remove the existing sidewalks in Newport and Haynes. The mayor said this had been under consideration for some time and was not an election maneuver.

Heard a letter from another St. Louis construction firm claiming to be interested in constructing an incinerator. The firm claimed that an adequate survey be conducted for Madison, Venice and Granite City could not be done free.

Heard a report from the mayor that an Army doctor, a pediatrician stationed at the Granite City Army Depot, is planning to establish a practice in Madison. Six persons were injured in June.

North Granite 6 Burglary, Theft Cases This Week

Six thefts and burglaries were reported by Quad-City and Madison county authorities since Monday.

About \$18, including \$7 or \$8 in dimes, were taken from a filing cabinet in a burglary Monday night at Young & Jordan's Auto Sales, 1301 State street, it was reported at 6 a.m. Tuesday.

A lock was pried off of a panel on the parking lot, and three \$50x14 white wall tires, including one mounted on a wheel, and three \$750x15 tires mounted on blue wheels were stolen. Entry was gained to the building by knocking off a front door lock.

Clothes were strewn about the shoe store at Alright Cleaners, 2209 Madison street. Monday night as burglars apparently attempted to find clothing that would fit them, they made their unsuccessful attempt to enter the office. Entry was gained by prying a window on the south side of the building and the escape was through the rear boiler room door.

GC Home Looted
A box of pennies and a metal box containing insurance papers and birth certificates were stolen in a burglary at the home of Mrs. Fred Moser, 3001 Iowa street, between 10 and 11 p.m. Tuesday.

There was no sign of a forced entry. A bedroom and the kitchen on the second floor were searched. David Harkey, 2514 State street, reported to Granite City police early today that a motorcyclist was stolen from his home between 3 p.m. Tuesday and 4 a.m. Wednesday.

Mr. and Mrs. James Parsons, 1745 Kennedy blvd., Collinsville, were taken to St. Elizabeth's Hospital with abrasions of the neck, swelling about the left eye, chest pains and bruising of the right elbow and knee. He was transferred to Jewish Hospital, St. Louis, for surgery. Today he was reported to have spent a comfortable night and to be in satisfactory condition.

Minister said he was en route home from his job at the North Quad city, a pedestrian stop light flashed red. He swerved to avoid a car in front of him, then he crashed into a stoplight post.

Two Persons Injured
Anthony Trele of Troy, an A. O. Smith Corp. officer and Carl Archer of Collinsville, president of the Boilermakers union at the A. O. Smith plant here, were injured and taken to St. Elizabeth's Hospital in a three-car accident at 1:45 a.m. Wednesday. By-pass 62 at Tanyard Hill road, Edwardsville.

The Madison county sheriff's report said that Trele's auto skidded around a curve, slid into a car driven by Dale Henderson, Edwardsville, and caused another driver by Oscar Holzhack, Coffey, to crash into the back of the Henderson car.

Two Youngsters Hurt
Two youngsters admitted yesterday for overnight observation at St. Elizabeth Hospital were Robert Keith, 5 son of Mr. and Mrs. Robert Keith, 2030 Hildebrand street, Madison, who suffered a head injury at school, and Kathy Peck, 3 daughter of Mr. and Mrs. Russell Peck, Collinsville, who consumed an unknown quantity of baby aspirin.

Woman Ejected
The council also called for bids to extend sidewalks from three to five-foot sidewalks on Second, Third, Big Sell, Franklin, Webster, Jackson, West Washington and Jefferson streets to remove the existing sidewalks in Newport and Haynes. The mayor said this had been under consideration for some time and was not an election maneuver.

Heard a letter from another St. Louis construction firm claiming to be interested in constructing an incinerator. The firm claimed that an adequate survey be conducted for Madison, Venice and Granite City could not be done free.

Heard a report from the mayor that an Army doctor, a pediatrician stationed at the Granite City Army Depot, is planning to establish a practice in Madison. Six persons were injured in June.

Three Receive Jaycee-Of-The-Month Awards

"Jaycees of the Month" awards were made last night to three individuals during a corned beef and cabbage dinner meeting held in the 300 Room of the Tri-Mor Bowl. Twenty were present.

Honors were shared for the month of January by Fred Bant, in recognition of his efforts in arranging the annual "Bones Night and 1200 Banquet," and George Vesce, who directed plans for a Jaycee district convention held in Granite City.

Alvin Barnes III was named for the February award for his work in connection with the bus project and a pansake brunch. Certificates were presented by James Burton, vice-president.

Paul Morris was in charge of the meeting and appointed Herbert Siebert as chairman of the 1963 Homecoming celebration. It was reported that arrangements are still under review for a public forum for mayor candidates, with definite plans to be announced later.

12:15 a.m. today, Harkey said the vehicle was not in running condition.

Theft of three sets of wrenches off a workbench in his garage was reported to police yesterday by David Harkey, 2514 State street, between 10 and 11 p.m. Tuesday.

There was no sign of a forced entry. A bedroom and the kitchen on the second floor were searched. David Harkey, 2514 State street, reported to Granite City police early today that a motorcyclist was stolen from his home between 3 p.m. Tuesday and 4 a.m. Wednesday.

Razing Starts On Burned-Out Downtown Bldg.

Razing of the double building at 1310-16 Niedringhaus avenue, destroyed by fire last November, was started this week to clear the site for a new, six-story commercial structure.

H. D. Karandjeff, local banker and owner of the property, said J. & R. Motor Supply, presently located in temporary quarters in the Calvo building at 20th and State streets, will return to the location as will Skott's Jewelry and Frank's Card shop, now located in the Commercial building on Edison avenue.

Karandjeff said he also is receiving numerous inquiries on operation of a restaurant to replace Simpson's, and that he will continue to receive applications. The restaurant quarters will have private rooms for club and organization meetings, he said.

The razing operation is being carried out by G. H. Sternberg Co., and plans for the new structure are now being prepared to call for construction bids.

12:15 a.m. today, Harkey said the vehicle was not in running condition.

Theft of three sets of wrenches off a workbench in his garage was reported to police yesterday by David Harkey, 2514 State street, between 10 and 11 p.m. Tuesday.

State Capitol NEWS

TOTS ACCIDENTALLY POISONED

In Illinois during 1964 nearly 13,000 accidental poisonings were reported among children under 12 years of age. The great majority were in the toddler group, ages one to three. Many thousands of cases are not reported and some were never recognized or treated.

Illinois case statistics are obtained from the 92 poison control centers and other hospitals voluntarily reporting. Only a few more than half of the hospitals in the state report cases treated.

Dr. Franklin D. Yoder, state public health director, stresses the unrealized danger to children in everyday household preparations such as waxes, polishes, detergents, pesticides, cosmetics and medications, unless they are kept out of the reach of the curious child.

HIGHWAY JOBS AVAILABLE

Employment in the Illinois Division of Highways will be available to 175 male high school graduates who complete a special 11-week training course this

summer at the University of Illinois.

The training program, conducted by the Division of Highways in cooperation with the University of Illinois, is designed for Illinois high school graduates, 17 to 25 years of age, who have completed courses in algebra and plane geometry and have an interest and aptitude for engineering work. Francis S. Lorenz, public work director, said.

The training course will be conducted on the campus of the University of Illinois at Champaign-Urbana from June 13 to August 27, and at the new Circle Campus of the University of Illinois in Chicago from June 28 to Sept. 10.

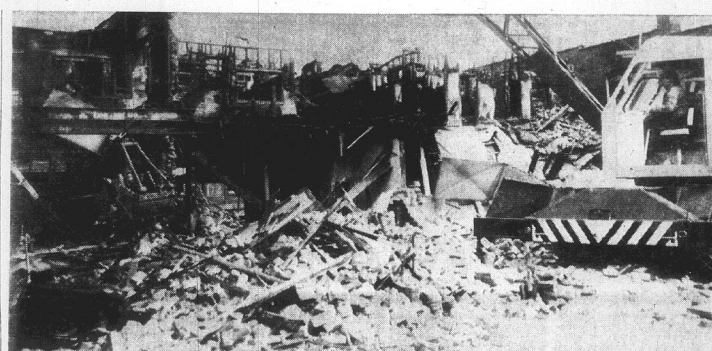

Application blanks and information pertaining to the course are available at all high schools in Illinois and at state and district offices of the Division of Highways.

GOLDEN KEYS FOR NEWS

A plaque bearing a symbolic "golden key" will be presented on May 6 to an Illinois newspaper judged to have done the best reporting on mental health in 1964.

The award, by the Illinois Department of Mental Health, will be to a newspaper selected by the Southern Illinois University Journalism Department. It will be presented by Gov. Otto Kerner at the annual Mental Health Luncheon in Springfield.

Dr. Harold Visotzky, director of the Department of Mental

MAKING WAY FOR NEW BUILDING in downtown Granite City opposite the old post office, razing operations were started this week to remove the old J&R Motor Supply store, simpin's restaurant and Frank's Card shop buildings

in the 1300 block of Niedringhaus avenue. The double building was burned in a fire last November. Planned for the site is a new one-story building for J&R, the card shop and for a restaurant.

Health, said the journalism department will judge news and feature stories, photographs and editorials on the basis of "journalistic merit," insight and understanding of the problem.

Completion of contracts for several attractions was announced.

The 1965 State Fair will open on Friday, Aug. 13, and continue through Sunday, Aug. 22. Highlight of the evening stage shows will be the appearance of the King Sisters, the King Cousins, the King Children, Alvin

Rey and others. The King Family is presently appearing on a regular Saturday night television show. Their appearance here will be their first before a State Fair.

Another feature attraction will be Al Hirt, the jazz king of New Orleans. Hirt will head a special variety show on Thursday and Friday evenings, Aug. 19 and 20.

ILLINOIS EXPORTS LEAD

Illinois shared the largest portion of U. S. farm exports in fiscal 1964, \$504.2 million. Principal crops exported were soybeans, corn and wheat. "The employment of some 25,000 farm workers may be attributed to the production of farm products exported in both unprocessed and processed form. Gov. Kerner has emphasized that if the number of Illinois firms manufacturing marketable products for export could be increased to 20 per cent from the present 15 per cent, Illinois could up this state's economy to a higher level of jobs and dollars.

Today a car without a mortgage seems to lack one of our really modern conveniences.

SOCIETY

Groothuis Heads Maryville PTA

Officers at a monthly meeting Tuesday evening at the school. Mrs. Pat Baumberger, president, conducted the business meeting and received reports from officers.

Delton Groothuis, chairman of the tree planting committee, announced that the PTA will plant trees from April 1 to April 15 at the school. He said more men are needed to assist with the project; they may call the school to register.

Mrs. Dorothy Byer, nominating chairman, presented the following prospective officers and they were accepted: Groothuis, president; Mrs. Mary Church, vice-president; Mrs. Velma Gruen, secretary; and Mrs. Mary Stovall, treasurer.

The members voted to participate in a national PTA project to supply a million books for Appalachian children. The drive to collect children's books will continue until May 31 when they will be sent for distribution to needed areas. Those wishing to donate may take books to the school or contact Mrs. Baumberger.

The members were urged to vote in the city and school board elections.

Mrs. Ruth Knapp, program chairman, introduced Miss Betty Bagby of the Easter Seal Society, who spoke on work being done for handicapped children and showed films to illustrate her talk.

The attendance banner was presented to Mrs. Velma Gruen's first grade room for the largest number of parents in attendance, and the evening's prize went to Mrs. Dorothy Luckert, Mrs. Opal Davis, Girl Scout representative, presented a Girl Scout chapter to the PTA in recognition of its troop sponsorship.

Installation of the new officers will be conducted at the April meeting.

County Salon Meets in Venice

Madison County Salon 53, Eight and Forty, met Tuesday evening at the Venice-Madison American Legion Home on Broadway with the chapeau, Mrs. Adeline Dwyer, in charge. Plans were made for several members to attend a reception for the state departmental chapeau, Mrs. Dorene Merritt, in Salem April 22.

A discussion was held on the spring piquet at Morris, Ill., May 1 and 2. Literature from the chairman, Mrs. Sally Finlay of East St. Louis, was read on a tour of the National Jewish Hospital, Denver, Colo., May 13-16. A train coach will be chartered for the trip.

A social time followed and games were played. Prizes were awarded. A luncheon was served by Mrs. Estella McBrien and Mrs. Audress Brown, hostesses for the occasion.

Others present were Mrs. Fannie Ulrich, Mrs. Marie Lester, Mrs. Opal Holman, Mrs. Doris Kibbas, Mrs. Viola Harrison, Mrs. Mary Valentine, Mrs. Frances Cowley, Mrs. Jeanie Cummings, Mrs. Violet Neunaber and Mrs. Kathryn Fellers. The next meeting will be held April 20 at the Legion Home.

Prather Hears Ill. PTA Officer

A monthly meeting of the Prather junior high school PTA was held Tuesday evening with Mrs. Geneva Paul, president, conducting the meeting. Guest speaker was Mrs. Eula Brazier, vice-president of the Illinois Congress of Parents and Teachers, whose topic was "Roads To Understanding."

She said that parents and teachers must take time with children to become their friends, to understand them, and to form better communications with students. It must be a joint effort of parents and teachers, since the school cannot be expected to perform the duties alone, she commented.

Mrs. Hanfelder, parliamentarian of the unit and district director, read and explained PTA bylaws.

Mrs. Paul appointed Mrs. Mae Ebling, Principal Walter Klein and Mrs. Charles Leavelle to serve on a nominating committee. They are to present a slate of officers at the next meeting.

Mrs. Paul announced a cake-walk April 20 during Library Week. All proceeds will be donated to the school library fund.

Refreshments were served and decorations were in a St. Patrick's Day theme. The PTA board will meet April 12.

ST. PATRICK'S PARTY FOR HANDICRAFT CLUB

St. Patrick's Day decorations were used this week in the appointments of the party given by Mrs. Vivienne Danco for the Handicraft Club.

A late supper was served to Mesdames Irene Kadane, Ann Mega, Mary Eridick, Ann Maguen, Gladys Skubish, Sue Percaris, Kate Fedora, Alex Severine and Frances Vivod. Prizes were won by Mrs. Mega and Mrs. Skubish.

750 Attend Jr. Service Club Benefit Spring Style Show

More than 750 persons were in by the Granite City Junior Service Club, the proceeds from the annual style show sponsored which are used for the club's many charity projects.

MRS. McDONNELL IS CLUB HOSTESS

The Crazy Eight Pinocchio club met Tuesday evening with Mrs. Carol McConnell on Buxton avenue.

Winners of prizes were Mrs. Barbara Edmore, Mrs. Betty Teater, Mrs. Clorp Grizard and Mrs. Steve Kovar.

Others present were Mesdames Nora Young, Brenda Austin, Judy Mills, Shirley Wright, a guest, Mrs. Glenda Coleman and Linda, and was furnished by Johnson's Music Store and a singing chorus was a solo "Gig" by Carl Fitz-fashions, which was a highlight Ann Meyer and Pat Parsghian.

RESPONSIBLE FOR THE SUCCESS of the fashion show given Tuesday by the Granite City Junior Service Club were, left to right—Mrs. Ted Vrenick, script writer; Mrs. Kiril Kirchoff, general chairman; Thom Lewis and Patti Lewis, commentators; and Mrs. Paul Knecht, script writer.

WEDDING PARTY of the benefit fashion show Tuesday evening at the high school by the Granite City Junior Service Club. The bride and groom, second and third from left are Charles Holder and Miss Diana Hillen.

The composed of Ray Voorhees, Ray Patrick, and Debbie Seebold of the program, Carl Fitzpatrick and the Jerry Green Dance Studio sang "Love Is a Many Splendored Thing." The musical background and Judy Travis sang "Thank you." Proceeding the show of wedding Patty Kovula, Carol Loman, Carol Bertucci, Judy Kereh, and a new member, Mrs. Evonne Reiss.

Border Theme For Club Meeting

The Women's Association of the Granite City Steel Co. held a meeting Tuesday evening in the company dining room.

Mrs. Muriel Fossick, president, welcomed the members and guests and during a short business session reports were heard. Miss Mardel Knecht, program chairman, assisted by Verna Lengyel, Hazel Scherrills, Frances Kuback and Geraldine Brooks served punch before dinner. "South of the Border" music was played during the meal. The table appointments and centerpieces were in keeping with that theme.

George W. Gergeeff, superintendent of steel works maintenance at the Granite City Steel Co., and Mrs. Gergeeff, were guests for the evening. He displayed color slides taken while on a vacation in Mexico with a commentary on the various places visited.

There were gifts for all and special awards went to Nellie Dieker and Helen Redfern.

Seventy-five were present, including a new member, Mrs. Evonne Reiss.

St. Patrick Club Theme

The Past Queens club of Job's Daughters held a monthly meeting Monday evening in the home of Mrs. Sally Herbst, 3213 Wilshire drive. A brief business meeting was conducted by the president, Mrs. Herbst, followed by a game period.

Those winning prizes were Mrs. Betty Klaus, Mrs. Sarah Hogan and Mrs. Wilma Pulaski. The hostess used a St. Patrick's decorating theme with shamrocks suspended around the dining table. A dessert luncheon was served to the prize-winners and Mesdames Rose Segely, Pansy Love and Norma Robertson.

The next meeting will be held in the home of Mrs. Hogan, 3201 Wilshire drive, April 19.

Plans were made at the meeting for a spring rush party and for a rummage sale April 27.

Granite City PRESS-RECORD
Thurs., Mar. 18, 1965 Page 9

Junior Service Officers Named

Election of officers for the year 1965-66 was held Monday evening at a monthly meeting of the Granite City Junior Service Club.

New officers are Miss Helen Parsaghian/president; Mrs. Candy Kavula, first vice-president; Miss Kathy Onicina, second vice-president; Mrs. JoAnn Gaurmer, corresponding secretary; Mrs. Rena James, recording secretary; and Mrs. Jo Ann Romine, treasurer. Board members elected were Mesdames Evelyn Morris, Louise Kovar, Ruth Knecht, Bernice Fitzpatrick, Eva Burns and Mary Schaffner.

Mrs. Louise Kovar, president, conducted the business meeting and reports were given by Miss Onicina, Mrs. Ruth Knecht and Mrs. Rena James. Three charity cases were reported—two for shoes and one for an eye examination.

Tentative plans were made for installation of new officers, and Mrs. Bernice Fitzpatrick was named chairman. The event will be held April 26 at Stan and Biggie's. Refreshments were served at the close of the meeting.

Phi Beta Tau Elects Officers

Phi Beta Tau Chapter of Beta Sigma Phi met last night in the home of Miss Ruth Justice and elected the following new officers:

Mrs. Ellen Cain, president; Mrs. Barbara Adams, vice-president; Miss Ruth Justice, recording secretary; Miss Linda Todd, treasurer; Miss Ruth Justice, corresponding secretary; Mrs. Charles Le Baldwin, historian; and Mrs. Pansy Love and Mrs. Janet Allen, Donna Adams, Mary in the home of Mrs. Hogan, 3201 Wilshire drive, April 19.

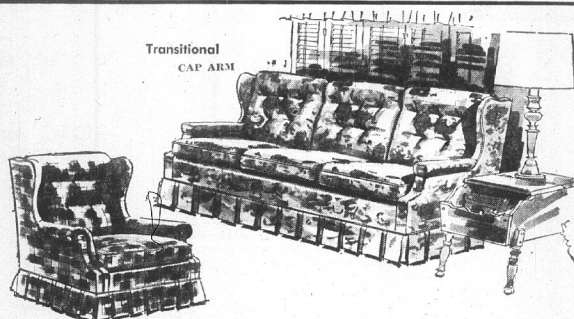

Plans were made at the meeting for a spring rush party and for a rummage sale April 27.

Protestant Welfare Gives Aid to 28 Local Families

Reports for February were given Tuesday evening at a meeting of the Protestant Welfare Association held at St. Peter E&R Church.

The report by the office secretary, Mrs. Marie Whittle, showed a total of 28 cases involving 106 persons. This includes 10 new, six recurrent and 12 incidental cases. Referrals were made by citizens, ministers, the Granite City Township Relief Office and a board member. Twenty-nine orders were issued, with relief distributed as follows: food, \$412; medical, \$14; new shoes and clothing, \$12; utilities, \$31; and rent, \$35, making a total of \$526.

Twelve orders of clothing and shoes were given from the store room, with a total value esti-

mated at \$121. Received and given away were a gas stove in good condition and dishes and utensils valued at \$30.

Rev. Robert Baumann opened the meeting with the devotional service. Lennie Crockerell, president, was in charge and the reports of the secretary and treasurer, Mrs. Irma Taylor and Mrs. Mary Simons, were given.

Letters of greeting were read from Brian Waggoner, now in Phoenix, Ariz., and Rev. Mason Gregg, a former minister at Central Christian Church now residing in Florida.

Rev. Edwin Crause dismissed the group with prayer.

SIU Board Stiffens Out-of-State Admissions

Acting on faculty recommendations, the Southern Illinois University board of trustees today changed admission rules to stiffen requirements for out-of-state applicants and at the same time allow earlier action on applications from top-ranking high school students. The board met at the Quad-Cities-Edwardsville campus.

Effective with the 1955 fall quarter, the new policy will limit regular admission of out-of-state students to those in the upper 40% of their classes. Lower ranking students will be admitted only if they score exceptionally well on entrance examinations, and then will be granted entry only during the summer term on an academic probation.

The board action also clears the way for application for admission by high school students in the upper quarter of their classes after completion of six semesters of high school instead of the presently required seven. Such admissions will be subject to completion of the senior year's work and maintenance of class rank.

Carbondale to Annex SIU Halls, Greek Row

Annexation to the city of Carbondale of Southern Illinois University residence halls and "Greek row" areas was agreed to today by the SIU board of trustees meeting at the Quad-Cities-Edwardsville campus.

University President Delyte W. Morris said the move was made to facilitate perimeter zoning and urban renewal negotiations. Also, he said, by counting the several thousand students living in these facilities as residents of the city it would mean an estimated \$80,000 additional revenue apportioned to the city from the state motor fuel tax.

In other university business the board approved contracts for site development, \$415,677, and control systems for heating and new campus: experimental farm improvements near Belleville, \$27,501; and general work for boiler installations at the Carbondale campus, \$432,861.

Busch to Represent Marquette at Monticello

J. Patrick Busch, a vice-president of the Marquette Alumni Association to the area, will represent the university and its president, the Very Reverend William F. Kelly, S.J., at the inauguration of Dr. John R. Haines as 10th president of Monticello College tomorrow.

Busch, who is controller of the local A. O. Smith Corp. plant and a local resident, also is vice-president of the St. Louis Chapter of the National Association of Accountants.

Action Deferred on GC Garbage-Trash Bids

Action was deferred on 13 bids received Monday for a new five-year contract that expires in May.

During the debate, Mayor Davis increased several times to ask the two committees to work together, and Alderman Johnson questioned the application for trucks, pointing out that perhaps the bids should remain closed and new specifications prepared in order to obtain trucks that would be overvalued and subject to breakdowns.

The Finance committee which prepared the bid call for the Sanitation committee. Specifications for trucks to be purchased or leased also were questioned.

The bids were in the hands of a Finance committee. Chairman Rutledge, who suggested they be referred to the Sanitation committee when Alderman Bettencourt, chairman of the Sanitation committee, called for a detailed report and cost analysis from the Finance committee, and pointed out that in a letter dated Jan. 29 from Mayor Davis instructed the two committees to work together.

Mrs. Bettencourt added that the Sanitation committee had never been invited to a Finance committee meeting on the matter. She added that she felt the motion for referral was out of order since the mayor's letter had outlined the duties of the two committees and that the Finance committee had failed to submit a recommendation as instructed.

Bids to Set Costs

Sternberg pointed out the Finance committee had sought bids to establish costs estimates for the operation by the city with purchase or leased equipment or for a new contract that will replace the present \$147,500-a-year contract.

Bend Road News

MRS. EILEEN ROBINSON
TR. 6-5268

Mrs. Bonnie Futch is reported in good condition at McMillan Hospital, St. Louis, after undergoing eye surgery last week.

Mr. and Mrs. Charles Ouseley and daughter, Diana, went Sunday to Springfield where Diana will attend a week-long church council conference.

Mr. and Mrs. Gede Hardly were visited by Mrs. Sam Hardy, whose husband was a patient at a St. Louis Hospital.

The couple left Sunday by ambulance for their home in Missouri.

Mr. and Mrs. John Ragsdale went to Puxico, Mo., during the weekend to visit their parents.

NAME DAUGHTER ANITA RENEE SHAW

Mr. and Mrs. Gene Shaw became the parents of a daughter, March 12 at DePaul Hospital, St. Louis.

The new arrival weighed five pounds and has been named Anita Renee.

ENTERS HOSPITAL

Jeannie Tresch entered the Hospital, St. Louis, Tuesday to undergo tests. She is the daughter of Mr. and Mrs. George Tresch of St. Louis.

GUN CLUB HOLDS OFFICERS MEETING

An officer's meeting was held Tuesday evening at the Lake Shore Lake Rod and Gun Club. Supper was served prior to the meeting.

Couple Taking an Extended Vacation

Mr. and Mrs. Leman Elledge of Ferguson avenue are vacationing in Bristol, Va., where they are visiting Mrs. Elledge's sister and brother-in-law, Mr. and Mrs. Jerry Choresvick and children.

They also will visit in Lake Placid, Fla., with Mr. and Mrs. Everett Ferguson, formerly of Granite City.

Mrs. Virgil Lowe, 1232 Edwardsville road, had as guests Tuesday Mrs. Betty Feltmeyer and son, Raymond, of Tamarac, Ill.

Mr. and Mrs. Ray Stratton of Rhodes street had as dinner guests Tuesday Mr. and Mrs. Robert Albridge and children, Linda and Bobby, of Overland, Mo.

A cub pack meeting was held Tuesday night at Lake shore. Den Mothers, Mrs. Shirley Snider and Mrs. Mary Stratton, were in charge.

Den Two gave a bull fighting scene. Jeffrey Caban received a silver arrow and Doug Stevens a recruiter stripe.

Refreshments were served to 25. The meeting was closed with a songfest.

Gary Peters, son of Mr. and Mrs. Harvey Peters underwent an appendectomy Tuesday at St. Elizabeth Hospital.

ATTEND FUNERAL

Mr. and Mrs. Cary Smith of Rhodes Street, Mr. and Mrs. Ola Singleton and Mrs. Zelma Norman of Madison and Herman Lott of Maryville, Ill., motored to Menz, Ark., to attend the funeral of a nephew, Ephraim Shover. They returned home Tuesday night.

MORE ABOUT City Unveils

(Continued from page 1.)

Blast Furnaces

A section of the law pertains to blast furnaces and coke ovens. Blast furnaces are to be equipped with gas cleaning devices, and in charging a battery of coke ovens, another is to be permitted for a period of not more than 20 minutes in any 60-minute period. The same regulation would apply when pushing coke from a battery of ovens.

The operation of coke plants is to be researched by the operators for other practical methods to further control emission of air pollutants and reports submitted to the city board annually.

The ordinance would exclude open hearth furnaces now in operation but those constructed in the future would have to be equipped with gas cleaning devices, reduce particulate matter losses discharged to 50 pound per 1000 pounds of gases or less.

Incinerators, Kilns

Also covered by the law would be incinerators, dryers, kilns, and a large amount of miscellaneous equipment. Exceptions are allowed with the start-up of the equipment and there also are provisions for breakdowns.

Open fires for recreational purposes will be permitted, and others may be allowed if approved by the board and a permit issued.

Persons installing any incinerator or fuel-burning equipment rated at 200,000 BTU-hour or more would be required to apply for a permit.

Inspections or permits would not be required for domestic heating plants or for incinerators or fuel-burning equipment installed or operating before effective date of the ordinance.

Permit Costs

The permits would cost \$2.50 for domestic incinerators; those with capacity of 10 cubic feet, \$2.50; over 10 and up to 50 cubic feet, \$10; up to 200 cubic feet, \$20 and over \$250 cubic feet, \$40.

Penalties for violators would be a fine not to exceed \$200 for each violation and imprisonment not to exceed 30 days.

The control board would meet at least four times a year, and one of its duties would be to prepare a plan for abatement or control of air pollution, "recognizing varying requirements for different areas of the city." The members also would hold hearings for formal complaints of violations.

The technical secretary would grant permits and investigate complaints. He would be authorized to enter at reasonable hours any lands, buildings, establishments, premises and enclosures, except administrative offices of any person and privileges may be an air pollution source. The technical secretary would be paid a salary to be determined by the city council.

MORE ABOUT

57 Polls

(Continued from Page 1.)

Also stressed was that since city-ownership precincts do not coincide in most instances, township voters, who must be registered, would be required to sign affidavits—a time-consuming chore. Voters in the city election need not be registered.

Savings, Less Confusion

Proponents of the 25 city precincts—serving a dual role—stressed the savings of \$2000 to \$3000 in judges pay (\$251 a day) and polling place rentals, and also emphasized that fewer polling places would reduce confusion. In some areas, city ward boundaries bisect township precincts, and it would be confusing to a voter as to the proper city polling place.

Possibility of election contests requiring a rerun of the township election if city precincts were used also was brought out. Town Atty. William Schooley told council members that the situation was unique and probably existed only in Granite City. The requirement of registration by township voters caused the indecision of the council, and Alderman Mowlen pointed out he had called attention to the problem over a year ago when the township registration became state law.

He called for amending the township polling place ordinance to conform with the city precincts for the election, but was supported only by Partney, Whitmer and Dallas. Opposing the poll consolidation were Nann, Rutledge, Skubish, Barnick, Mrs. Bettine, Bartolucci, Johnson, Bergfeld, Boyd, Sternberg, Thompson and Pence.

The city plans a biennial block census to carry out a redistricting plan before the 1967 city election.

Pointless

Many a good thought has been wasted because too many words were used in expressing it.

Observation

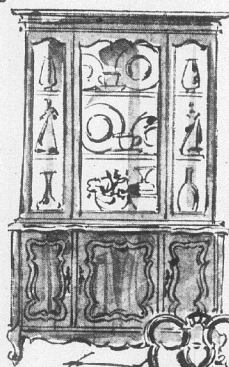

Learn from the mistakes of others—it's an easy way to acquire a practical education.

Mayor-Council Relationship Vital; Ways Proposed Vary

The mayor-council relationship described as a key facet of effective municipal government received thorough discussion here Tuesday night as the six Granite City mayor candidates participated in a special forum meeting at Central Junior high school.

With the order of speaking determined by lot, Don Dee, Granite City mayor, opened the forum by commenting on the many responsibilities of the mayor in the city government.

"The many responsibilities of the mayor include the daily supervision of city operations, the functions of the various boards and committees, the personal contact with the people. The many interests in the city all diverge into the mayor's relationship with the council."

"All the work and planning is wasted if the council does not take action on the problems. It is for this reason that I stress the importance of common sense negotiation, and the need for leadership by your mayor. It is in his relationship with the city council that we will succeed or fail."

"The council will react favorably or unfavorably, depending on the soundness of the plans and how they are submitted. Our aldermen devote great quantities of time to their duties, and they must be fully informed if they are expected to efficiently perform their duties."

Information, Leadership

"I would see that every council member has complete, detailed information as to the matter at hand, well in advance of the time for action. Complete agenda information would be submitted well in advance of all meetings."

"I believe your city council would welcome the chance to conduct its business in an efficient manner. They want to represent the public well and provide the services and improvements needed. Your mayor can provide the leadership and information they need in order for them to take positive action."

"Your mayor can influence their actions. Yet these people are all individuals and, as such, have the right to their own opinions. They will not follow blindly. Anyone who considers his own judgment superior or above question will have difficulty with the council."

"The council will respond if they believe the plans and programs presented are sound and well-thought-out. And if they are given an opportunity to voice their opinions in shaping actions and policies of the city, I would participate in all council activities and actions and act as a funnel for all proposals going before the council."

Effort and Objectivity

Gene H. Stenberg said, "The mayor must be an example-setter—one who gives the effort he expects of others, one who has the objectivity in judgment he expects in others, one who attracts ever-better men and women to service in government."

"He must be a thought-leader, a program-maker, a qualified and businesslike meeting-presider. He must respect and represent the combined thought and judgment of the council. He must encourage objective opposition to his programs to broaden the base of thought and better the chance of program success — to keep alive the dignity of individual thought in government."

"The mayor must establish and maintain an open position, a communication channel, greeted with mutual respect and uncommon effort, between himself and the council—to allow amicable resolving of differences of opinion for the city's benefit. In this way, he guarantees needed and deserved representation to all people taking part in this representative democracy in which we live and to which we owe allegiance."

"Under his leadership and effort, government of personal interest and special privilege must disappear from the scene here in the dynamic-to-be 'Little Pittsburgh of the Middle West.'"

Explain, Cooperate

Casper Nighobossian told the audience, "The mayor must always make sure the council knows where he stands. If he disagrees with the council, let them know why. He must work with them and through them."

"The mayor is the voice of the city; he must be heard. The council is the separate voices of the different wards."

"If they cooperate, future economic and residential growth will be assured, and government will be efficient and effective. If they don't cooperate, we'll stay in the mess we have had for a long time."

Lack of Order, Information

Mrs. Gabrielle Betts said her proposals for rules of parliamentary procedure, council meeting agendas and regular office hours for the mayor "would do more to engender good will, fairness and elimination of politics and more to kindle a better spirit in the council than anything else I know."

"What creates dissension on the council floor? It has been the lack of orderly proceedings, lack of information and lack of upholding parliamentary rules. They have not been there, black on white, for easy accessibility."

"The same questions would not be argued over and over again, because they would have been settled. There would be nothing to argue about, and

there should be nothing to argue about."

Factions Halt Progress

Sam Whitmer related that "at the present time our city council is divided. We have two factions, along with several independents, such as myself, with each group pulling in a different direction and nothing much accomplished."

Paul Agreement—Dictatorship

Donald Partney said, "There should be unity between the council and mayor in solving city problems, although I feel that every member of the council is entitled to his own personal opinion."

Who suffers for this? The people.

"I would like to think of the council as a team working together, with the mayor as captain. Only in this way can the city be brought to its full potential."

Pair Seeks Back Rent

Raban and Hymiak Matresian have filed suit for \$300 plus costs in Madison county circuit court seeking \$370 in back rent from Andrew Henke, a former tenant of their property at 2314 State street, and \$130 for repairs to damage to the property after he left, according to the complaint.

Wrong Name Listed, To Amend Complaint

An amended complaint is to be filed in circuit court in a \$3000 dram shop suit brought for Billy Wyatt for use of his children. An incorrect name was inserted in the original complaint filed last week.

The original complaint alleged that Maynard Mercer was involved in an accident in the town of Madison, and the tavern listed were Ralph & Charlie's in Madison, and the Den in Granite City, the defendant.

\$10,000 Suit Filed, Allege Highway Assault

A \$10,000 damage suit was filed Wednesday in Madison county circuit court in Edwardsville against Raymond E. Barker of Granite City for George E. Brown, a highway construction employee.

Brown says in the suit that on March 12, 1964, Mercer was involved in the suit, and the complaint should have listed the name Robert Swiatek in his place, the Press-Record was informed.

MORE ABOUT

Mayor

(Continued from Page 1.)

unrealistic system of reserves."

Concern for Public

Chapman Nighossian said, "We must put in office someone concerned with the public interest—the taxpayer's dollar."

"We have had such 'efficient' and 'effective' government that they have had to borrow from one fund for another to keep the city operating."

"We must broaden the tax base and make industry and business pay their fair share. The interest of industries and businesses has been put above the public interest, and that's why there is not enough money in the city treasury."

"We can only get so much from small property owners, who are up to their eyes in taxes."

"The city council has constant infection and inaction and is constantly 'chasing its mind.' This costs money—your tax money. We must get organization in the city council so there is no delay in developing plans and carrying them out."

Admire by Appropriation Law
Mrs. Gabrielle Bettine said that "budget and financial policies can be made more efficient and effective if officials abide by statutory provisions set down by law."

"The appropriations budget is a time-consuming task, worked out for me, in the heat of summer, but none have no desire to adhere to it once it is made up."

"A standing candidate attempt for months to expend unappropriated monies of between \$50,000 and \$100,000, using as a defense that he had nine votes to allow the expenditure. But transfers should be after the

first six months of the fiscal year and require a two-thirds vote which was not even requested. Even when monies are transferred, the items must still have been stipulated in the budget; this was not the case."

"Another case in point is the recommendation for a sewage treatment plant cloth filter as \$27,000 cheaper. Taking into consideration 20-year costs for power, chemicals, water and labor, I showed a saving of well over \$100,000 with a stainless steel cloth filter."

"Another running candidate authorized an expenditure of \$9,000 without prior council consent."

"Still another case in point is the changeover from a city sanitation department to a private contractor. If full, concise, factual reports had been disclosed at that time, the public would have been the first to demand action."

"Insufficient" information aroused the ire of the public. Yet the same public screams against unnecessary expenditures and unnecessary people on the payroll."

Sam Waltner said "I do not believe the city's budget and financial policies are inflated, or that city departments are over-manned."

"The city has 39 policemen, but the FBI recommends one to every 800 people. On the basis of 40,000 population, we are 11 short. The city employs 36 firemen, four short of the recommended ratio of one to 1,000. The street department has 26 employees, and the city hall is staffed to do the work efficiently."

"On the whole, people working for the city do a fair day's work. If they are any who don't or won't, they should and will be replaced."

"The city must at all times advance, and the city hall is getting the most for the tax dollar."

"When the sanitation contract

was let to the St. Louis contractor, it was not on public bids. No one had a chance to bid on it. This was one of several reasons why I voted against it."

Review With Department
Donald Partney urged "greater stress and follow-through on budget formulation, review by the city council, and adoption of the budget and preparation and passage of appropriation and tax levy ordinances."

The mayor and comptroller should instruct department heads in the budget program, assist them in the preparation of department activities and conduct hearings with department heads."

"The mayor, with assistance of the comptroller, should supervise the budget and arrange meetings with council committees for budget review. This would stop excessive spending in the street department."

Capital Improvements
"The capital improvements plan has been largely ignored and has never been brought up to date. Many street improvements have been completed which in no way make necessary to the plan."

"The mayor should make it a first order of business in conjunction with the annual budget to start development of the capital improvement program. He should analyze with the Plan Commission the projects recommended by the city council."

"All the items should be assembled, their cost determined in terms of engineering, construction, purchase, etc., priorities should be assigned and the capital budget should indicate the method of financing."

Policies regarding political appointments prompted the following answers:

Cruze — "Each appointed job should be defined as to duty and standards of acceptability. Only people capable of performing the job can be considered."

"No appointee can expect to

retain his job just because he is loyal. Results will be all important and it will be understood that no performance will result in loss of the position."

"We cannot afford appointees who have no interest in public service. There will simply be no room for poor performance of assigned duties."

No Honorable Obligation
Sternberg — "The mayor has the somewhat mixed advantage of having been elected as an independent candidate in a non-partisan election. He will carry no office no honorable, sizeable political obligation."

"Pressure on him to appoint down political lines should properly be slight, if any, and this should allow him to choose appointees on the basis of character and proven talents for the job at hand."

"There is no holding back a town with all its appointees men of proven character and ability."

Nighossian said — "There is only one qualification for political appointee — ability, not favoritism."

Bettine — "Stress and emphasis should be placed on the job, not merely to appoint people because of political friendship."

"Get the best man to do the job. Do not let the spoils system cause additional duties, an increase in population, state legislative action, expansion of service and population and the requirement to make appointments for magistrate level cases."

The cost will be paid from income derived from the state's attorney's office. Bartyak said last year his office had excess funds of \$20,000 and this year he expects it will increase to \$40,000. Despite the additional cost, he expects to announce the appointment of his new assistant."

Bartyak also announced that the county's appeal case was scheduled on the Illinois Supreme Court docket at 9:30 a.m. today. The case, known as Burton Bernard, special assistant handling the case, had asked for three hours to present arguments but was limited to the regular 30 minutes.

The county has entered a motion to dismiss the appeal by the railroad of the local circuit court decision which favored county taxing bodies in tax objection suits. Bartyak said \$500 districts have contributed \$300 to help cover the cost of the appeal action, and that funds from other taxing bodies will be used to pay the balance.

"The case is more than 100 pages long and an additional abstract presented to the Supreme Court also is more than 100 pages long, Bartyak said."

In other action the board: New Patrol
Purchased two new sheriff's patrol cars from Farrington Motors of Chicago City for a total of a low bid of \$2740, with trades.

Appointed R. C. Scheffé & Co. of Alton to audit all county funds for 1964.

Authorized a call for bids for truckpointing and interior decorating of the county civil defense building at the nursing home in Edwardsville.

Reported from Harry Briggs, Namekito township supervisor and chairman of the board of legislative committee, on the proposals in Springfield which would reduce redistricting.

Township Elimination
He said one would eliminate townships, another calls for establishment of a county board composed of only nine supervisors, while retaining township governments. A gentlemen said that a favorable bid would provide that county motor fuel funds would be forwarded to the county treasurer each month.

A proposed amendment, Briggs added, would adversely affect the county on plans and subdivisions and would make administration impractical. The county board resolutions on the reports to be forwarded to county legislators in Springfield.

Meet Scheduled Today
On Water Co. Strike
Officials of the East St. Louis Water Company and representatives of the Local 397 were scheduled to meet today with U. S. mediation agents in a further discussion of contract talks for 16 laborers employed by the Granite City division of the water company.

Wage adjustments and increases — benefits are involved in the talks which have been held periodically since November when the laborers went on strike. The strike has tied up a number of installations in homes and apartment units.

Army Craft Exhibit
Open to Public
In observance of the 1965 ArmyArts and Crafts Week, the public is invited to attend an exhibition of various craftwork from 1 to 5 p.m. Sunday in the Granite City Army Depot's craft shop. A large number of hobby and craft exhibits will be displayed by both military and civilian personnel.

During the afternoon, a special demonstration in leatherwork will be presented by a local business firm, Lt. Paul J. Schneider, depot special services officer, is in charge of the project.

State's Atty. Staff
Addition; Rail Tax
Appeal Opens Today

The Madison county board of supervisors authorized appointment of an additional assistant state's attorney and appropriated an additional \$7000 to the state's attorney's account during a meeting Wednesday night in Edwardsville.

A new assistant will be paid \$6000 a year and the state's attorney's rail tax expense was increased by \$300 and his miscellaneous expenses by \$1000.

Joseph Bartyak, state's attorney, said an addition to the staff was necessary because of additional duties, an increase in population, state legislative action, expansion of service and population and the requirement to make appointments for magistrate level cases.

The cost will be paid from income derived from the state's attorney's office. Bartyak said last year his office had excess funds of \$20,000 and this year he expects it will increase to \$40,000. Despite the additional cost, he expects to announce the appointment of his new assistant."

Bartyak also announced that the county's appeal case was scheduled on the Illinois Supreme Court docket at 9:30 a.m. today. The case, known as Burton Bernard, special assistant handling the case, had asked for three hours to present arguments but was limited to the regular 30 minutes.

MORE ABOUT

Candidates

(Continued from Page 1.)

plan for industrial plant and paycheck growth while attracting the families necessary to provide the leadership to deal with the problems industrial plant and paycheck growth give.

"These are the problems so acutely dealt with and need exciting and excited leadership."

"Geographical growth must be considered realistically after so many years of no consideration by governmental leadership. We are being increasingly surrounded by incorporated and unincorporated areas working hard to provide services that are normally a city's best selling points — streets, sewers, sewage treatment, water and air pollution programs."

"They are now convincing their residents of the benefits of out-of-city living, to the detriment of the city that will eventually, to eliminate government overlap, annex them with the accompanying horrible financial load of welding service systems into a workable whole, to erect a usable street system of haphazardly built sections."

Sternberg promised leadership to aid the City Plan Commission in broadening its work. Instead of primarily hearing zoning change requests, it would "departmentalize its efforts to broaden aggressive annexation, proper land use, growth with beauty, planning to attract leadership, planning to attract leadership, planning to attract leadership."

"Attract Leadership Families
Sternberg promised leadership to aid the City Plan Commission in broadening its work. Instead of primarily hearing zoning change requests, it would "departmentalize its efforts to broaden aggressive annexation, proper land use, growth with beauty, planning to attract leadership, planning to attract leadership, planning to attract leadership."

Advocating a park at the old post office site, Sternberg cited available industrial lands, water, power, excellent skilled labor, practically an island harbor and an industrial complex that makes us truly the little Pittsburgh of the middle west."

But full partnership with neighboring Illinois and Missouri communities will be possible only if we have a qualified, dedicated mayor, he said.

"We need our best salesman, one who is able to bring to his neighbors, potential industries and families, and sell to the people the benefits of a city that is unselfish, long-range thought and action to build or rebuild, and to encourage the city to desire and knowledge to promote thoroughfare upgrading, preventing street maintenance, sewer separation and the best type of pollution control and a long-range plan with short-range steps now to qualify us for government funds for solving city

problems not entirely of our own making.

"He must create by example a community — revitalizing United Fund of Assured Growth, attracting the youth to stay and work with us to match the humanitarian efforts of the wonderful organizations working so hard with youth."

Qualified Officials
Nighossian said the primary need is to "elect qualified people. Government is as good or bad as the people running it. Second, the master growth plan should be updated."

He recalled that \$1 1/2 million apartment project has been slow to get on the basis that it is spot zoning, while two beauty parlors involving spot zoning have been authorized.

Nighossian proposed "an extension of outlying areas, street and sidewalk improvements and a better traffic distribution system. I would activate an industrial commission to meet industries' needs and attract new industry, broadening the tax base, employing more people and in the end lowering your taxes."

Industrial Growth
Mrs. Bettine said, "We have room for expansion, both industrial and residential. With industry attracted, residential growth becomes automatic. Thus, industrial enticement is the primary concern."

"Industrial growth and attraction first decides that there be general confidence in the city and its officials, promises and cooperation. The city fathers have not acted in a manner consistent with good faith."

"Our area itself is quite desirable. It simply needs more availability which means that the executive head must be available to talk to industries and businessmen in the field of zoning, taxes, etc. We ought to study an incentive scale of taxation, waiving taxes in the early stages of an industry to move, but not making it perpetually exempt."

"The idea of establishing an advisory board composed of members of big and little businesses, within its present limits. We need minds, experience and contacts to advise me and the council."

Street Improvements
Whitner advocated "enforcing our building code for a mile beyond city limits, purifying the master plan to its full use, bringing about immediate street, highway and improvement programs. We need to move into our area and enforce the subdivision ordinances."

"There is another type of growth just as important — the future growth of Granite City within its present limits. We have many problems that must

be solved — water drainage, which could become a serious health problem; deterioration of our concrete streets, some of which need widening; the acute parking problem, which threatens the future of the downtown shopping district; beautifying our town, including a park on the site of the old post office; and a yearly program for replanting of trees."

A certain amount of air pollution will always exist and cannot be completely solved. The next best thing is an air pollution control ordinance that both the city and industry can live with. When it is passed, industry must be given time to comply, but comply they must."

Planning Experience
Partney recalled his service as chairman of the Planning and Zoning Committee since zoning was initiated in 1958, and as city representative to the City Plan Commission during much of the time since it was formed in 1947. He related that the city has entered into a contract for technical assistance in updating maps and plans, with federal taxes to pay two-thirds.

It is proposed "an industrial park area, encouraging diversified industry for more jobs and more income for our people."

Quoting comments by John McBride, former Union Starach Co. officials, and Dr. Harold See, former university vice-president, on the need for leadership to make the most of its bright potential, Partney cited the experience and knowledge of the Council Planning and Zoning Committee and the Plan Commission, and his leading role in their activities over a long period of years.

Over 1000 Attended
Rally for Cruse
An estimated crowd of 1000 persons attended a St. Patrick's Day rally Tuesday evening honoring Von De Cruse, candidate for mayor. There was music by a kitchen band, and Cruse was chosen when he entered 300 Room at the Tri-Motor Bowl after an appearance at a forum conducted by the Tri-Cities Ministerial Association and the Chamber of Commerce.

Campaign stickers, pins and literature were distributed by Cruse and other office-seekers present.

Woman Driver Arrested
Two autos were damaged at 1 p.m. Wednesday at Nidreeding, where a car was driven into a kitchen band, and Cruse was chosen when he entered 300 Room at the Tri-Motor Bowl after an appearance at a forum conducted by the Tri-Cities Ministerial Association and the Chamber of Commerce.

Campaign stickers, pins and literature were distributed by Cruse and other office-seekers present.

2445 Wilson Avenue
TR. 7-4670

ENTERTAIN PARENTS
Mr. and Mrs. Donald Miller of Sunbury avenue had as their weekend guests Mrs. Miller's parents, Mr. and Mrs. Russell L. Robinson of Decatur.

MRS. WILLIAMS IS CIRCLE HOSTESS
The Eugene Smith circle of Suburban Baptist Church met Tuesday at the home of Mrs. Ruthann Williams, 3700 Ruth drive.

The meeting was called to order by Mrs. Mae Caviness, who read the names of missionaries with birthdays this month. Roll call was answered with newly-learned Scripture verses or gifts to the church building fund.

Mrs. Orsella Fuller presided. The program, "The Home-Building Missionaries' Concept," was presented by Mrs. Helen Stanford, with Mesdames Mae Caviness, Georgia Atkinson and Orsella Fuller taking part. Mrs. Helen Crabtree closed the meeting in prayer.

Refreshments were served to those named and Mesdames Evelyn More, Gloria Carlyle, Cindy Williams, Julie Stanford and Kenny Fuller.

Mrs. Crabtree, 2339 Edison avenue, has invited the circle to her home in April.

Brownie leader: Mrs. Ann Fowler, and co-leader, Mrs. Betty White, met with Troop 117 Monday at Emerson school.

Newly-elected officers presiding were: president, Elizabeth Harris; treasurer, Donna Chiappa; secretary, Valerie Kenney; entertainment committee, Karen Wheeler and Retha Fowler; and clean-up committee, Cynthia Cary and Eva Keel.

The girls continued practicing for a PTA program.

Present also were Patricia Gerlach, Paula Wyatt, Linda Medley and Janete Germanieri.

SHOWER HONORS BRIDE-ELECT

Miss Roberta Marie Prazma, daughter of Mr. and Mrs. Louis Prazma, 3017 Willow avenue, was honored Sunday with a surprise bridal shower at the VFW Hall.

Miss Prazma will be married to James Mikulait of Collinsville May 15 at Sacred Heart Church, with Rev. Schweilenbach officiating.

Bridal decor was used throughout the hall with a bridal doll as centerpiece and favors of min-blue and white flowers were at

lature umbrellas. Gold vases with a buffet luncheon was served the tables.

to 80 guests.

Hostesses were her mother, Mrs. Louis Prazma, and the prospective bridesmaids, Rose Ann and Phyllis Prazma, Marilyn Thompson, Sue Smith, Dorothy Richert and Carol Jalinsky.

CLASS MEETS WITH MRS. LOUELLA PROPPS

The Homemakers of Calvary Baptist Church met Monday at the home of Mrs. Louella Propps, 2528 Iowa street, president.

Prayer was given by Mrs. Lois Bradford. Mrs. Ester Owens led the devotional.

The business meeting was conducted by Mrs. Evelyn Turner, who gave out yearly envelopes.

Games were played and prizes were awarded to Mesdames Mabel Turnbull, Lois Bradford and Edith Harris. There was prayer by Mrs. Ida Kilmer.

Present also were Mesdames Bernice Snyder, Mary Harris, Helen Love, Margaret Michaels, Margaret Lowe, Bessie Seal and Mona Myers.

Mrs. Turner, 3200 Davis street, has invited the ladies in April.

Trades Council Endorses Cruse

Candidate endorsement made unanimously last night by 61 delegates attending last night's meeting of the Tri-City unit of Labor Council included Von Dee Cruse for mayor. The endorsements were limited to Granite City.

Edwin Reiske, council president, said the recommendations were made by the legislative committee. Other city candidates endorsed were: Homer "Cal" Rendleton for clerk, R. E. "Pat" Rich for treasurer; and for aldermen, Edmund Dietzsch, Sec. and Ward, J. D. Bergfield, Third; Casmer Skubish, Sixth; and R. E. Robertson, Seventh.

Township candidates endorsed were Nelson Hagnauer for supervisor and James Burton for assessor.

School board candidates endorsed were Royce Timmons, Frank Michels and Boyd Presley.

C. L. Baker and Carl Mathias of the Illinois Metro East Industrial Development Corp. outlined the purposes of the organization for attracting new industry to the area, and the program also was endorsed by the delegates.

Reiske announced that the Illinois Public Aid department will be explained at the April 21 meeting and that a suit against the council by radio station Wgno had been dropped.

COVERED DISH SUPPER FOR BETHANY CLASS

The Bethany Sunday school class of the First Baptist Church arrived at the church education building Tuesday with covered dishes for an evening meal.

The president, Mrs. Bernice

Whitten, presided over the business meeting. A song, "Trust and Obey," opened the meeting, followed by the class motto and scripture in unison.

Mrs. Geraldine Stein presented the March devotional, "Lining of Silver." Plans were made for a mother-and-daughter banquet May 10 in the education building. The meeting was closed with prayer by Mrs. Betty Barr.

Those taking part were Naomi James, Mrs. Nora Birlie, Mrs. Hilda Jackson, Mrs.

Granite City PRESS-RECORD Page 18 Thurs., Mar. 18, 1965

Gertrude Ashford, Mrs. Pauline Cary, Mrs. Pauline Rogers and the class teacher, Mrs. Vesta Williams.

MADISON LADIES GROUP WELCOMES NEW MEMBER

Mrs. Sally Marcus, president of the Madison Ladies City Organization, conducted a monthly meeting Monday evening at the Sportsman's club.

The meeting was opened with the Lord's Prayer in unison. Mrs. Connie York was welcomed as a new member.

A social period followed the business session, at which time the hostesses, Mrs. Helen Geroff, Mrs. Helen Kneuevich, Mrs. Margaret Michele and Mrs. John Dent, served refreshments.

The group will meet again April 19.

ENTERTAIN WITH SUPPER FOR JUNIOR MYF GROUP

Rev. and Mrs. Eugene Beasley of the First Methodist Church held a supper in their home Sunday evening for members of the Junior MYF.

Mrs. Beasley used decorations in keeping with St. Patrick's Day. During the get-together a swimming party was tentatively planned.

Those taking part were Mary Ann and Marjorie Black, Glen- dale Meli, Sandra Culbert, Charles Beasley, Jim and Bob Scott and Joey Vaughn.

The benediction was offered by Mary Ann Black.

MRS. OSTRESH ENTERTAINS JOLLY MATRONS CLUB

Mrs. Frances Ostresh entertained the Jolly Matrons club in her home, 51 Garshore Homes, Tuesday.

A short business meeting was

held prior to a buffet luncheon served by the hostess. Games were played for the remainder of the afternoon.

Those taking part were Mrs. Lottie Ostresh, Mrs. Margaret Presnell, Mrs. Betty Presnell, Mrs. Wanda Baker, Mrs. Mildred Werner, Mrs. Anna Mae Murphy and guests, Mrs. Ruth Bush, Mrs. Pat Murphy, Mrs. Georgia Reisinger, Mrs. Mary Young and Miss Mary Werner. Prizes went to Mrs. Murphy, Mrs. Reisinger and Mrs. Bush. Mrs. Ostresh will be the hostess in two weeks.

PHIBEAN CLASS MEETS WITH MRS. REITER

Mrs. Lola Reiter was hostess to the Phibean Sunday school class of the First Baptist Church in her home 1928 Beckwith avenue, Tuesday evening.

Mrs. Frank Craves, presided, with Mrs. Reiter presenting the devotional.

Members taking part in the discussion and refreshment periods were Mrs. Georgia Brown, Mrs. Ruth Colwell, Mrs. Ruth Hamerling, Mrs. Ora Jones, Mrs. Cula Lively, Mrs. Jewel Ratliff, Mrs. Mary Starnell and the teacher, Mrs. Kenneth McDaniel.

MEMBERS OF THE CLEANERS SUNDAY

Mrs. Craves and Mrs. Lively will be co-hostesses for the April meeting.

SHOWER HONORS MRS. HESTER

Mrs. Shirley Hester was honored with a pink and blue shower Tuesday evening given by day school class of the Temple Baptist Church. Mrs. Hester received many gifts.

Cake and coffee were served to Mrs. Alma Whitt, Mrs. Margaret Hahn, Mrs. Irene Russell, Mrs. Betty Cow, Mrs. Gaynell Langford, Mrs. Evelyn Roney, Mrs. Myrtle McIlroy, Mrs. Edith

SENIOR CITIZENS find entertainment and recreation with the many and varied programs planned by themselves and carried out with the use of YMCA facilities. The Senior Citizens group as a growing organization operating under "Y" sponsorship and with the help of "Y" staff members in planning and carrying out its activities. A display of articles made by Senior Citizens is shown here as it was presented during Monday evening's YMCA open house program.

James Rucker, son of Mr. and Mrs. E. R. Rucker, 1700 Spring avenue, was elected master counselor for the second term of 1965 for Granite City Chapter of the Y, Tuesday evening. He is a senior at Granite City high school.

Other officers elected were David Cook, senior counselor; Roger Mathew, junior counselor; Reginald Teague, chaplain; and Joseph LeGrand, treasurer.

The officers will be installed April 20.

Granite City PRESS-RECORD State Awards Contracts
Page 24 Thurs., Mar. 18, 1965

BERNARD T. PINNEY, St. Elizabeth Hospital director of personnel, who is attending a Personnel Administration Institute of the Catholic Hospital Association this week in St. Louis. Topics being covered include job analysis, performance appraisal, methods improvement, training, orientation, communications, human relation, motivation, planning and leadership.

Two contracts for maintenance of highways in this area have been awarded by the Illinois State Highway Department at Springfield. It was announced today. The contracts are for landscaping, mowing, cultivating and weeding projects. Henry Nurseries, Inc. of Henry, Ill., was awarded a contract in the amount of \$94,714 for 2.46 miles of landscaping on Interstate Route 270 from Illinois Route 203 west of Mitchell to Illinois Route 111 approximately four miles west of Glen Carbon. The other contract was for \$113,536 and was awarded to Federal Landscaping Co. of Harrisburg for 4.26 miles of landscaping on Interstate 270 between Route 111 and Glen Carbon.

Don't judge a man's knowledge of human nature by the opinion he has of himself.

WATER FACTS

10 THOUSAND AROUND THE WORLD...
COMMUNITIES WHICH FAIL TO PLAN THEIR WATER SUPPLY IN ADVANCE MAY FIND THEMSELVES IN THE SITUATION OF A TOWN WHICH HAD TO REPORT TO TRUCKING IN THE WATER AND CHARGING RESIDENTS A EXORBITANT PRICE OF \$OF A GALLON FOR FRESH WATER.
IT WILL COST THE AMERICAN TAXPAYER \$2 BILLION IN THE NEXT FIVE YEARS TO PROVIDE ADDITIONAL SEWAGE PROTECTION AND ADEQUATE TREATMENT OF WASTE WATER FOR A POPULATION OF OVER 205 MILLION PEOPLE.
IF EVERY CITIZEN AND MUNICIPAL OFFICIAL MUST SUPPORT PLANS TO ASSURE AN ADEQUATE SUPPLY OF HIGH QUALITY WATER AND PROPER CONTROL OF POLLUTION OF NATURAL WATERWAYS NOW AND IN THE FUTURE.

Freedom's Meaning

Freedom's light, which dispels the darkness of tyranny and oppression, rests on twin supports: character and education.

SIDEIGHTS from SPRINGFIELD

By Sen. PAUL SIMON

CONTROL OF CAMPAIGN CONTRIBUTIONS NEEDED

Illinois is one of the states which has no control whatsoever on campaign contributions and it is believed that any person with a sensitive conscience must come to the conclusion that controls are needed.

There are three reasons concern on legislative and state-wide races are desirable:

1. Requirements for disclosure of sources of campaign contributions may make some candidates hesitate before accepting contributions of a questionable nature.
2. Disclosure of campaign spending is desirable because some campaign contributions are used for personal profit. Recently, a prominent legislator was quoted by the Chicago News as saying that he regards political contributions like Christmas gifts. Asked if he would move in the direction first suggested by President Theodore Roosevelt, and followed in Great Britain today: "I don't think it would be unethical or improper if I used it that way." I strongly disagree.
3. In cases for major offices, the expenditures have been such high figures that you either have to be wealthy or take contributions from sources you would rather avoid.

Two Pending Bills

There are at least two bills which would place some control on spending and require disclosure of major contributions. The one in the Senate would require reporting how money is spent and disclosure of anyone contributing more than \$100 to a candidate or a committee.

Limits on spending would include the following: the total to cover both the primary and general election:

Governor.....\$500,000

Attorney General.....\$200,000

All other state officers.....\$100,000

State Senator.....\$50,000

State Representative.....\$10,000

Major campaigns have been run in recent years for each of these offices for less than these sums, so they are not unrealistic.

83 Million Estimate

In 1964, observers guess that the race for governor cost each side \$1,500,000. This seems to be unwholesomely high. I don't want the office of governor or any other office to be on the auction block for the highest bidder.

The test of the government must be to place some control on money coming from people who profit by their donations.

There are many who would move in the direction first suggested by President Theodore Roosevelt, and followed in Great Britain today.

Let each candidate put up a filing fee—perhaps \$100 in the case of legislators—let the government match that sum with \$200. This would permit no contributions and no expenditure beyond that total, with a strict accounting required on expenditures.

This would raise the quality of public officials—but the very thing which would place some control on spending and require disclosure of major contributions. The one in the Senate would require reporting how money is spent and disclosure of anyone contributing more than \$100 to a candidate or a committee.

Limits on spending would include the following: the total to cover both the primary and general election:

Study Of Board Candidates Vital To

Maintain Sound Educational Program

School board membership guidelines prepared with the aid of the Illinois Association of School Boards are being circulated here and are worthy of study by all voters.

They call for truly balanced representation, high moral character and conduct, occupational experience of substantial duration and reasonable success, mature judgment, ability to communicate, and willingness to attend meetings regularly, to keep informed, and to withstand unfair criticism without sacrifice of principle.

Other points are listed. For example, requirements for an effective school system are regarded as including avoidance of operating debt; retention of open, competitive bidding to assure good-quality, low-cost equipment and supplies; adherence to applicable laws and to efficient, businesslike procedures; use of administrative staff to submit personnel recommendations based on objective evaluations; and encouragement of cooperation, teamwork, study, innovation, loyalty and pride in accomplishment.

The test of such guidelines will be whether school voters take the time to compare competing candidates with the ideal qualities that have been mentioned. Such a comparison can be informative; some aspirants measure up but some, unfortunately, do not.

Importance of such evaluations by individual Granite Cityans would be hard to overestimate. Schools spend about 60 cents of each dollar of property tax dollar, and it is of direct concern to parents, not to mention the community and nation as well, whether their youngsters obtain the best possible education.

Walter Reese Will Always Be A

Part Of The Elks Crippled Committee

Although Walter A. Reese is retiring as chairman of the Elks Lodge 1063 crippled children's committee, the influence of his leadership, energy, interest and ideas will be a part of the continuing charitable program forever.

W.A. alone could never convey the full story of those who began life with a serious handicap but were provided with free corrective surgery through gifts of services and money administered by the Elks committee.

The long and tireless efforts of Mr. Reese have been recognized by this community on various occasions, including presentation of the annual Civic Achievement Award. But the greatest monument to the program, and the highest reward to the committee, will remain the use and happy lives which have been made possible for so many crippled youngsters in the Quad-City area.

'Man Works From Sun To Sun

But A Woman's Work Is Never Done'

Every so often we run across an analysis showing the value of the average housewife to her husband and children.

The latest such study estimates that the 30 million U. S. homemakers "earn" an average of \$159.34 a week (\$1.60 an hour for 99.6 hours).

Varying rates of pay are applied against the portions of the week devoted to various tasks.

We suspect that this type of approach is intended to make the man of the house more appreciative, for he could hardly afford the \$285.68 yearly price tag to hire part-time food buyers, nursesmaids, dishwashers, seamstresses, cooks, decorators, dietitians, housekeepers, laundresses, practical nurses, manicurists, gardeners, bookkeepers and chauffeurs, if he could locate them and efficiently coordinate their efforts.

Having just reviewed the list in the preceding paragraph, we are inclined to agree with the writer. However, we have just completed some rapid calculations which show that the housewives who should receive such pay owe their husbands for room and board exactly \$159.34 a week (\$285.68 a year).

Direct Signature For

All State Vouchers

Senate Bill 404 and House Bill 552 are worthy of adoption at Springfield because they would help pinpoint responsibility for state expenditures.

Proposed by the Legislative Audit Commission, which has netted \$1,600,000 for the state government while operating at less than \$270,000 over the past eight years—the plan requires clear identification on the face of each voucher of the person actually responsible for payment.

Signature of the agency head would still appear on each voucher. But if it was not personally signed by him, it would also include the signature of the authorized assistant giving the "green light" for the expenditure.

Accountants for numerous agencies have objected to the present procedure, under which the name of the department head is affixed by unidentified employees. The proposed revision is sound and should be supported by Illinois legislators.

Poorly Prepared Juvenile Bill

A new juvenile court act (Senate Bill 388 and House Bill 513) being considered by the Illinois General Assembly is poorly worded.

It would probably voluntarily avoid naming names of law enforcement officers from disclosing contents of records of arrest, and would prevent any access to court records except by specific court order.

Most newspapers voluntarily avoid naming first offenders under the age of 16, but it would be contrary to sound public policy to prohibit the gathering of information on crime.

The issue is a minor one, since it involves press freedom and since the law covers all boys under 17 and all girls under 18; records show that teenagers account for nearly half of all major crimes.

Existing laws contain no such restrictions. The current bill relating to juvenile guidance, care, custody and guardianship needs to be amended to omit the objectionable prohibitions.

a clean cut victory on election day.

It is an confident he can unite us and lead us forward to new goals and a better community.

2261 Woodlawn Avenue

HUSBAND DEVOTES MUCH TIME TO WARD DUTIES

To the Editor:

My husband, Casmer Skubish, Sixth Ward alderman, is seeking re-election. In the 12 years since he was elected, he has proven himself to be a responsible citizen, a hard worker, and a man of integrity.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

He has not only served his community well, but he has also been a devoted husband and father. He has always been a man of integrity and a hard worker.

Importance of such evaluations by individual Granite Cityans would be hard to overestimate. Schools spend about 60 cents of each dollar of property tax

SOCIETY

Auxiliary Gives Vision Reports

Mrs. Stanley Maer, and Mrs. Leo Roman, president and vice-president, respectively, of the local organization of the Southwestern Illinois Auxiliary chapter of the Illinois Optometric Association, have given their reports on the recent project, "Save Your Vision Week" during which 13,000 educational work sheets were distributed to the school children of the Granite City, Collinsville, Alton and Bellevue areas.

The work sheets were divided into three types. For the first and second grades it consisted of a series of pictures for the children to color. The third and fourth grades made a picture by connecting a series of dots, and the fifth and sixth grades had to find their way through four mazes.

The visual task required was matched for the age group of the children. If they were not able to successfully complete their pictures it was indicated there may be some problem either in vision or in their perceptual abilities. Perception is the ability to gain meaning from what is seen.

At mothers the women of the Auxiliary are interested in educating all parents in what to expect of their children visually. Through the many vision training procedures available today much help can be given to children who were previously considered slow learners or perhaps mentally retarded.

MISS ELAINE SMALEY, whose parents, Mr. and Mrs. Joseph B. Smalley, 2163 Benton street, are announcing her engagement to Dudley Robertson, a son of Mrs. Dudley Robertson and the late Mr. Robertson of Glen Carbon, Ill.

Miss Smalley Is Engaged

Mr. and Mrs. Joseph B. Smalley, 2163 Benton street, are announcing the engagement of their daughter, Miss Elaine Smalley, to Dudley Robertson, whose parents are Mrs. Dudley Robertson and the late Mr. Robertson of Glen Carbon, Ill.

Both young people are graduates of the Granite City high school. Miss Smalley is employed in the law office of Horace L. Calvo. Her fiancé is an employee of General Steel Industries, Inc. The wedding is scheduled for July 3.

South of Border Skits by Pack

"South of the Border" skits were presented by five Dens at a meeting of Cub Pack 12 Tuesday evening at Niedringhaus school.

Badges were awarded as follows: Richard Mizerski, Richard

Miss Patricia Ann Toothill, Sp.5 Blake Wed in Germany

From Germany comes announcement of the marriage of

Miss Patricia Ann Toothill, a daughter of S. Sgt. and Mrs. Kenneth J. Toothill of Bad Kreuznach, formerly of the Quad Cities, to Sp. 5 Robert Eugene Blake, a son of Mr. and Mrs. Monroe Blake of Cadiz, Ohio.

The ceremony was solemnized recently in the Rose Barracks Catholic Chapel in Bad Kreuznach with the Rev. Church officiating at the morning service.

Philathea Class Meets at Church

The Maude M. Tolson Barren Philathea Class of Niedringhaus Memorial Methodist Church met Tuesday evening in Wesley Hall.

Devotions and the lesson were given by Mrs. Edith McCasland, followed by group singing with Mrs. Dora Crawford at the piano. The topics were "The Abundant Life" and "The Gift That Couldn't Be Wrung".

During the business discussion led by Mrs. McCasland, president, plans were made for the annual banquet of the group to be held May 18, and other events.

The hostesses, Miss Geneva Wallis, Miss Neil Gibson, Mrs. Marvel Clover, Mrs. Emma Schorn, Mrs. Mary Hiller and Mrs. Bertha Voss served refreshments to 24 members of the class and a guest, Mrs. R. L. Miller. St. Patrick's appointments were used.

White and Timmy Velzer, wolf badges and gold arrows; Ricky Yeager, silver arrow; and Jeff LaPiere, silver arrow under rank of bear. There were also 11 Webelos insignia presented and 11 one-year pins awarded. A three-year pin was given to Den Mother Wilma Penrod, and Mrs. Della Seibold received a four-year pin.

The summer program of the pack was reviewed.

The bride was given in marriage by her father. She wore a floor-length gown of white lace and net made in Germany. Her veil of illusion was held in place with a pillbox of lace and nylon and she carried an arrangement of white orchids intermingled with pine sprays.

Two attendants, Mrs. Theresa Caisse, matron of honor, and Mrs. Edie Johnston, bridesmaid, were dressed alike in ice blue satin with matching headpieces and bouquets of red carnations surrounded with pine sprays. Mary Ann Toothill and Kenneth Toothill, sister and brother of the bride, served as flower girl and ringbearer. Arthur Caisse and Sgt. Donald Johnston were best man and groomsmen.

A reception was held after the ceremony in the Non-Commissioned Officers Club on the Post. The former Miss Toothill was graduated from the Killebrew, high school. She attended elementary schools in Madison and Kreuznach. After a brief honeymoon trip the newlyweds will live in quarters on the post at Bad Kreuznach.

SP. 5 AND MRS. ROBERT E. BLAKE who were married recently in Germany. The bride is the former Patricia Ann Toothill, a daughter of S. Sgt. and Mrs. Kenneth J. Toothill, of Bad Kreuznach, Germany, formerly of this area.

Most of the disappointments in life come to people who expect more than they deserve.

The price you pay for experience is negligible — it's the knowledge you gain that counts.

Miss Grashong is Hostess for DAR

Dorothy Andrews Chapter, Daughters of the American Revolution, met Monday evening in the home of Miss Marene Grashong, 2240 Waterman avenue, Mrs. Doris Bloomquist was co-hostess.

Mrs. Eva Meier, regent, was in charge and after the pledge to the flag a brief memorial service was conducted for Miss Bess Carr, a member just deceased.

A regular business session was held and the monthly message of the President General of the DAR, Mrs. R. E. Duggan, was read.

The program was given by Mrs. Ralph Frohardt, who had a paper on the topic, "Our Duty, Our Privilege, and Our Opportunity" taken from a current magazine.

The fourteen members attending were invited to the home of the regent for the April meeting.

Curtain Time Rehearsal time for New Year's resolutions is over—now comes the real test.

Pythian Sisters Past Chiefs Meet

The Past Chiefs Association of Pythian Sisters was entertained Monday afternoon in the home of Mrs. Grace Backs in Venice.

A noon luncheon was served and in the absence of the president, the hostess, who is vice-president, presided over the business session. The remainder of the afternoon was spent at games and awards were made to Mrs. Ella McKittick, Mrs. Fern Egley, Mrs. Leola Arbogast, Mrs. Helen Lilly and Mrs. Christine Buran.

The April 19 meeting will be with Mrs. Barron, 2143 Deimar avenue.

Nameoki Twp. Spending Plans Opposed by Trio

A "spend, spend, spend—tax, tax, tax" policy by some of the incumbent Nameoki township officials was charged this week in a statement by Michael Ropac, Edison Phelps and Keith Hart, who are seeking election to three town board positions April 6.

Noting that Supervisor Harry Briggs has appointed their three opponents to newly-formed planning committees, Ropac, Phelps and Hart attributed the flurry of planning activity this month to political motivation.

"What has the present township board said or done before about planning? With the election so near, they suddenly have

Granite City PRESS-RECORD
Page 28 Thurs., Mar. 18, 1965

started to meet with the Southwestern Planning Commission. It is interesting that no citizens were appointed.

"We have attended many township meetings and have yet to hear any opinions about future planning by the board unless directly questioned by citizens. Mr. Briggs calls the shots and his three boys approve with their rubber stamps.

Bonds Without Bids
"Now they are talking about building a township hospital to add to our taxes. The sewer issue hasn't even been settled yet. We have strongly urged them to pass their non-competitive-bid sewer bond ordinance in time for a referendum to be held on it with the April 6 election. Why are they stalling?"

"If they feel that the right time is near, they suddenly have

why haven't they brought out ordinance before the election? If they are afraid that it might become an important election issue, we say that it already is an election issue—a 40-year debt for all home owners.

"There are many qualified citizens in the township willing to give their time and services in assisting the board on major township projects, but the officials are not making use of these resources. Instead, with all the spending proposals, it appears the citizens are to be excluded in every way but one—their pocketbooks. It is the taxpayers' money that would be paying for all these anticipated projects.

"We are not opposed to sewers, hospitals or any feasible program if properly and economically executed, with citizens' participation in all stages rather than one stage or not at all. We are in favor of progress that benefits taxpayers, home owners and citizens.

Economy, Voice for Public
"We insist that it is the citizens' right to help on township projects, and we know the people are interested in economy. It would seem the town board ought to welcome suggestions on saving money instead of brushing them aside. We have asked for competitive bidding on the bonds. Their answer is that no interest was shown by other companies, but this is not an adequate answer.

"Why was an out-of-town attorney hired as bonding attorney and head salesman on the sewer plan? He is an attorney for the same city with which a township official has business connections. Is Madison going to be the benefactor of some of the sewers by annexation?"

"All are familiar with the East Side Levee Board, which drains about \$100,000 yearly out of Nameoki township with out much return. The township officials appear to be trying to create another free-spending governmental body like the levee board.

"That our fear of a levee board type of operation is justified is shown by the fact that we will be opposing a well-oiled political machine which has money to spend on the campaign. All we have to offer is our sincerity and integrity; we don't intend to buy this election."

Ropac, Phelps and Hart concluded: "We feel it is our duty to devote our time and effort toward a better future for the citizens and their children. We have no obligations or connections with any machine or faction. Our only obligation is to citizens and taxpayers, and we are depending on their support not only in the election but after we are in office."

Money Question
Taking it with you is not important—the problem is to make it last until you're ready.

GC Magistrate Financial Volume Same in '63, '64

A statistical report which has been misinterpreted was clarified this week in a letter sent to Circuit Clerk Willard Portell by City Comptroller John Doher of Granite City. It relates to the volume of magistrate court business.

The letter, together with financial breakdowns obtained by the Press-Record, shows fines and costs totaling \$33,873 in 1963 and \$34,919 in 1964.

Fund collection and distribution procedures were changed effective Jan. 1, 1964, with the establishment of the new Illinois judicial system.

Portell told the Press-Record there was a slight drop in the volume of arrests during the early part of 1964, attributed to court changeover and associated unfamiliarity with bail and hearing procedures.

Offsetting this, Portell has established a "no credit" policy, resulting in all fines being paid at the time of sentencing rather than being delayed until later monthly reports, as formerly was the case in many parts of Madison county. And there have been fewer trial postponements and dismissals, the circuit clerk

said. In general, fines have become more uniform in severity throughout the county, he added.

Taking into account these various factors, the reports indicate that court activity and financial transactions were on about the same level in Granite City in 1963 as in 1964 the final year of the former court system and the first year of the new program.

Police magistrates became circuit court magistrates with January 1964 changeover, after which they went on the state payroll rather than being paid by city governments.

1963 Breakdown

The \$33,873 total for Granite City in 1963 consists of:

- 1. \$15,307 in city fines collected by the magistrate and submitted directly to the city (January \$833, February \$1230, March \$1106, April \$1538, May \$1570, June \$1238, July \$1149, August \$794, September \$1304, October \$1250, November \$1748 and December \$1527).

- 2. \$18,566 in city costs collected by the magistrate and submitted directly to the city (January \$563, February \$813, March \$751, April \$995, May \$662, June \$945, July \$306, August \$355, September \$694, October \$941, November \$972 and December \$954).

- 3. \$9125 in court costs on county cases, forwarded to Edwardsville and returned to Granite City on a quarterly basis (February \$1747, May \$2395,

August \$2706 and November \$2278).

1964 Statistics
A breakdown of the \$34,919 Granite City figure for 1964 follows:

- 1. \$26,419 in funds forwarded to the circuit clerk and returned to Granite City (January—referred in February—\$1398, February \$559, March \$1254, April \$1660, May \$2073, June \$3372, July \$2311, August \$2169, September \$1948, October \$4441, November \$2275 and December \$2559).

- 2. \$8500 in court fees retained at Edwardsville toward meeting operating costs of the circuit clerk's office.

The misinterpretation compared the \$9125 returned from Edwardsville to Granite City for 1963 with a \$23,860 figure (first 31 months of 1964; 12-month figure is \$26,419). This appeared to indicate a sharp difference in volume before and after the new state system went into effect, but failed to take into account the 1963 funds forwarded directly to the city treasury without being sent by way of Edwardsville.

Doher's original reply to Portell's request for comparative statistics was dated Jan. 13, and the second letter was sent March 30. A \$27,345 total on 1963 funds received directly from the magistrate court consists of the following monthly listings—January \$2020, February \$2419, March \$2261, April \$2864, May

\$2444, June \$2405, July \$1914, August \$1451, September \$2063, October \$2216, November \$2745 and December \$2513.

Drop In State Cases

The \$27,345 report matches that of monthly listings approved at city council meetings. Study indicates that this is composed of the \$15,307 fines and \$9441 costs mentioned earlier in this article, plus \$2513 in costs from state police cases heard in Granite City.

State cases brought to Granite City dropped sharply during 1963 as the old court system neared its end. The listings were: January \$624, February \$376, March \$404, April \$351, May \$212, June \$202, July \$190, August \$102, September \$65, October \$25, November \$25 and December \$32.

Two Trash Fires

Firemen from the main station answered two alarms for trash fires Tuesday afternoon. There was no damage. The first alarm at 1:40 p.m. was to the storage lot of M. H. Wolfe & Co., 2201 Adams street, and the other at 2:10 p.m. was on a vacant lot at 3000 Circle drive.

Five Windows Broken

Vandals smashed five windows in the home of Robert Mills, 2472 Killebrew drive, it was reported to police on Tuesday.

The new permanent that highlights hair color and improves hair condition.

Pretty Perm gives you the soft manageable wave you've always dreamed about. And wonder of wonders, it actually corrects the unpleasant side-effects of the ordinary wave. Pretty Perm brings beauty to permanent waving!

Whether your hair is natural or tinted, one of Pretty Perm's 6 color categories is right for you!

Local GAA Film to be Shown During State Cage Tourney

Local television viewers of the Illinois high school state basketball championship games to be held Saturday night on Kete, Channel 9, St. Louis, will see a short film which describes various activities of the Girls' Athletic Association and includes segments taken last fall at Granite City high school.

Miss Bradish Honored At Millikin University

Miss Carol Bradish of Granite City, a sophomore and English major at Millikin University, Decatur, is among five students appointed as Grace Putten Co-nant honor students, based on academic performance both in general work and English courses.

Miss Bradish may now enroll in advanced honors tutorial work in English literature next fall. An endorsement established by Miss Conant, a former chairman of the English department, makes it possible to award prizes of \$100 each to a senior and junior who write outstanding papers in the honors tutorial.

VENICE STUDENT MAYOR for a day was Mary Scaturro (seated right), presiding at a meeting of the student city council at Venice observed its annual Student Government Day yesterday. Seated at left is Evie Ritz, city clerk of the student group. Looking on to see that all goes well (left to right) are William "Mike" Ebersold, Venice city clerk, Dr. John E. Lee, mayor of Venice, and Comptroller Carl J. Byrnes.

SERVING AS ALDERMEN of Venice during the city's annual Student Government Day observance yesterday, this "city council" convened for an explanation of the city's operation by Dr. John E. Lee, mayor; City Clerk William "Mike" Ebersold and Comptroller Carl J. Byrnes. Seated around the table, from left, are: Terry Cooper, Denny Hill, Russell Turner, Stanley Williams, Stephanie Salmond, Ella Graham, Juanita Jennings and Sherrell Byrd. In the background are other "city officials" for the day.

COMPLICATED JOB of auditing McKinley bridge accounts is inspected by Larry Gardner (standing right) and Greg Puent (standing center) during Student Government Day in Venice yesterday. Gardner represented the student body as bridge auditor and Puent as bridge manager. At desk is Marion Grashong, bridge auditor, who points out some of the detailed work required to keep tally on bridge income and outgo. Henry McMullin, manager of the city-owned McKinley bridge, looks on.

Maxwell Heads Stout College 'Stunt Night'

Bob Maxwell of Granite City, a senior in the school of industrial education at Stout State University, Menomonone, Wis., was co-chairman of recent "stunt night" activities, an annual social event held two successive nights by his fraternity.

His roommate and fraternity brother, Larry Kreyling of St. Louis, was in charge of ticket sales. The university is one of the top rated in the nation for training of teachers in industrial education and home economics, specializing only in these two fields.

Maxwell is the son of Mr. and Mrs. Finley Maxwell, 2501 Benton street, and is a 1960 graduate of Granite City high school.

Hubcap Thieves Loot 3 Autos Tuesday in GC

Two reports of hubcap thefts off autos parked at the Granite City high school lot Tuesday night were received by police. Edw. Hagler, 1628 Clark avenue, said four worth a total of \$80 were stolen off his 1963 auto, and Loren Sicking, 2496 Stratford lane, said three hubcaps were taken off his auto.

Police also were advised that three spinner hubcaps were stolen off the auto of Jack Yates, 2831 East 25th street, Tuesday night when the car was parked in the driveway at his home.

In 2 Autos at Madison**
Two cases of vandalism involving broken windows in automobiles were reported to Madison police Tuesday morning. In both instances the cars were damaged while they were parked Monday night.
Mrs. Priscilla Lakeburn, 304 McCasland avenue, reported the windshield of her 1965 model car was broken, apparently with a rock, while it was parked in front of her home. Charles Kelly, 819 Madison avenue, reported that the rear window of his 1962 model auto was broken.

**Payment of Medical Bill
By City is Sought**

Referred to the city attorney Monday night was a letter to the council from Mrs. Edna Jackson, 2825 Iowa street, who asked consideration in the payment of medical bills for treatment of injuries suffered in a sidewalk fall Dec. 11, 1962, in the 2800 block of Iowa street.
Mrs. Jackson said her physician has advised her she has a ruptured cartilage.
Also referred to the attorney was notice of a claim to be filed against the city on behalf of Mrs. Lucille King, 2311 Bryan avenue, and her daughter, Linda, resulting from a traffic accident with a city emergency vehicle last Jan. 24 at Niedringhaus and Madison avenues.
Payment of \$995 to David Morgan, executive director of the Granite City Housing Authority, for damage to his auto caused in an accident several months ago with a city vehicle, was approved. The council turned down a \$63 storage bill for the damaged car. The crash occurred at 22nd street and Delmar avenue.

**Madison Man Charged
With Reckless Homicide**

Joseph C. Thomas, 23, of 1701 Fifth street, Madison, driver of a car in a fatal accident on Feb. 28, was charged with reckless homicide Monday by Granite City police and was released on \$5000 property bond set by Magistrate Gasparovic pending a preliminary hearing.
Suffering fatal injuries in the accident which occurred at 23rd street and Madison avenue was James Floyd Welch Jr., six-week-old son of Mr. and Mrs. James Welch, 2301 East 20th street.
Thomas has been a patient in St. Elizabeth Hospital recovering from injuries received in the accident. Mr. and Mrs. Welch and their other two children also were hospitalized. Thomas was charged with passing a red traffic signal at the time of the accident.

**City's MFT Fund Too Low
For Project on 4 Streets**

Improvement to sections of four Nameoki area streets off Nameoki road is being delayed because of other commitments for motor fuel tax street projects, it was reported to the Granite City council Monday night.
The streets slated for improvement with an asphalt surface and curbs for a distance of several hundred feet east from Nameoki road are Clark, Cottage and Garfield avenues and Lindell blvd. Alderman Ford Johnson suggested the city try to get sufficient MFT funds for the project to carry it out when Nameoki road is widened.
The city was advised by the state highway department that bids could be sought provided the city could show there is sufficient money in the MFT account for the work.
At present the city has a credit of \$63,654 MFT funds available, but heading the priority list for MFT street projects are the \$45,000 allocation for improvement of Martin street in a joint project with Madison's improvement of an extension of McCambridge avenue north of Edwardsville road, and the track removal project between 14th and 16th streets on Madison avenue for which an MFT allocation of \$50,000 is sought.

**4 Stop Signs to Go Up--
And 2 to Come Down**

Approval of stop signs to be placed on Delmar avenue at 22nd street and on Cleveland blvd., also at 22nd street, was given Monday night by Granite City council members, who later expressed surprise when a request was submitted for removal of stop signs on Braden avenue at Oakland avenue.
Opposition to the signs on Delmar and Cleveland were voiced by Aldermen Rutledge, Johnson and Sternberg. They had been requested by Alderman Bergfeld, who said they were needed because of traffic accidents at the two intersections. With the new signs, both intersections will be four-way stops.
Several weeks ago the Quality Safety Council had asked the city to conduct bonafide surveys and seek expert advice before placing any additional stop signs—especially those signs designed only to slow traffic.
The removal of stop signs off Braden avenue at Oakland avenue was requested by Alderman Ford Johnson. The council two weeks ago authorized signs on Oakland at Braden avenue. Johnson said the older signs no longer are needed.

CHRISTIAN ADVANCEMENT banquet of Peace Lutheran Church featured (left to right) C. Ray Kinder, lay speaker, who traced the history of the church; Frank Frandsen, master-of-ceremonies; Rev. William Hover, pastor of St. Mark's Lutheran Church, St. Louis, guest speaker; and Rev. Carl L. Johnson, pastor.

**Marine Hinson Home
On Three-Week Leave**

Marine Pte. Eddie Hinson of the Second Battalion, Fifth Marine Corps Division, is currently spending a three-week furlough at home with his parents, Mr. and Mrs. Harold Mayfield, 2840 Fortune drive.
Hinson, a 1964 graduate of Granite City high school, entered the Marine Corps in November and was graduated March 13 from the advanced infantry training course at Camp Pendleton, Calif. After his leave, Hinson expects to see service overseas.

It has often been said that the only logical substitute for a new Cadillac is one that has seen previous service. Whatever you plan to invest in your next car, above all consider Cadillac.

If you are like most people, you hope someday to own a new Cadillac motor car. For Cadillac's continuing greatness in design and engineering has made it one of the world's most desirable and sought-after possessions. But if a new Cadillac is not presently feasible, you should consider the pleasure and satisfaction that would be yours with a late model, previously-owned Cadillac. Your dealer currently offers an unusually wide selection of fine used Cadillacs at a cost in line with that of many new cars of

far less stature and quality. These fine Cadillacs are all in superb condition, and many offer features not yet available on other makes. And from a standpoint of investment, remember that a Cadillac traditionally returns more of its cost at resale than any other car at or near its price. So visit your authorized Cadillac dealer, and let him show you a Cadillac—new or used—that will fit your budget. Your visit will be the wisest motoring move you have ever made. Why not make it this week?

OPEN MONDAY AND FRIDAY 'TIL 9 P. M.

LANDMARK SINCE 1909, the old car barn at 16th street and Grand avenue is disappearing as trucks haul away the rubble from dismantling of the brick structure. The steel framework will be used by S. W. Wilson Contracting Co. for construction of a 60 by 216 foot warehouse at 16th street and Cleveland blvd. The ground on which the barns have stood for 56 years will be converted into a parking lot for Granite City Steel Co. employees.

Alton Hospital To Join Child Research Program

Alton State Hospital has been invited to join several other area hospitals and clinics in a child research project sponsored by Washington University in St. Louis, according to announcement by Dr. Abraham Simon, superintendent.

Dr. Simon said he and members of his staff met recently at Jewish Hospital, one of those participating in the research, with James R. Harte, clinical director of child psychiatry at Washington University, and Dr. Robert Lefston, research psychologist in the same department.

The research calls for children at Alton to be tested by various patient-care professionals by using special forms developed by the University. The questionnaires are designed from the standpoint of psychologists, social workers, therapists, teachers and others.

Results from these quizzes are to be studied by hospital staff members and eventually computed by the university research department. The research is expected to continue indefinitely.

Alton officials attending the meeting besides Dr. Simon, included Dr. Julie Garridge, clinical director; Jeanne Goodson,

psychologist; David Cronin, coordinator of the youth center and Wayne Reinking, teacher of special education.

Other hospitals and clinics in the program doing similar studies are St. Louis State Hospital, Cardinal Glennon Hospital, St. Louis County Child Guidance Clinic and the child guidance clinic at the University.

21st-Edison Collision

An auto driven by Avery G. Edwards, 2431 Grand avenue, making a left turn, and a car owned by Mathews auto agency, 1511 Niedringhaus avenue, collided on 21st street at Edison avenue at 3:45 p.m. Monday after both drivers observed stop signs. They said they did not see each other. Both vehicles were damaged.

House, Two Vehicles Catch Fire on Monday

Granite City firemen from the main station responded to three alarms Monday, including one about 5 p.m. Monday at the home of Charles Robinson, 2025 Sheridan avenue, where they said boys had set fire to a bedroom. Damage was \$300 to the contents and \$250 to the building.

At 3:20 p.m., a carburetor backfire burned wiring on a 1962 auto owned by W. H. Carlson, Troy, at 17th street and Grand avenue, with damage at \$50. There was no damage at when trash in the back of a pickup truck owned by Ronnie Crawford burned at 24th street and Madison avenue.

Slim \$44,800 Balance in GC General Fund

Fund transfers are to be made next month for Granite City's general fund accounts which showed a Feb. 28 balance of \$44,837, while disbursements in the first 10 months of the fiscal year have averaged \$107,393-a month. Six general fund accounts showed deficits in the report which was presented to the council Monday night.

Total disbursements from general fund accounts have amounted to \$1,073,938, leaving

the \$44,837 balance for the remaining two months of the 1964-65 fiscal year. The city has been contemplating the use of reserve funds for general operating costs and has \$466,785 balance in the special sales tax fund and \$87,151 in the parking meter fund.

General Fund Breakdown
A breakdown of the general fund accounts, showing 10-month disbursements and Feb. 28 balance or deficits in that order, follows:

Fire department, \$253,362 and a \$16,850 deficit; water, \$14,797 and a \$7,021 balance; street department, \$232,362 and a \$46,004 deficit; street lighting, \$20,083 and a \$4,905 balance; pumping station, \$341 and a balance of \$394; general government, \$73,701 and a \$3903 balance; city hall, \$21,480 and a \$996 balance; police department, \$228,801 and a deficit of \$2720.
Inspection department, \$21,810 and an \$837 balance; election, \$125 and a \$3973 balance; sanitation department, \$138,647 and a \$17,658 deficit; interest and judgment, \$11,967 and a \$7706 balance; dog catching, \$8,841 and a \$2219 balance; contingent fund, \$17,142 and a \$1032 deficit; tax commissions, \$20,287

and a \$103,153 balance; school crossing guards, \$7338 and a \$8974 deficit; city planning, \$8206 and a \$1391 balance.

Special Accounts
In one fund—maintenance of sewers—showed a deficit.
A similar breakdown for the special accounts follows:

Municipal retirement, \$26,336 and \$19,022; working cash, none and \$133,968; parking meters, \$20,417 and \$87,131; police pension, \$30,151 and \$20,278 and \$38,418 invested; firemen pension, \$28,329 and \$21,802 and \$19,731 invested; public library, \$71,585 and \$74,113.
Arterial street maintenance, \$81,463 and \$96,987; unclaimed rebate, none and \$21,338; civil defense, \$4902 and \$675; sales tax, \$1153 and a \$150,000 transfer, leaving a \$466,785 balance; maintenance of sewers, \$14,326 and a \$99,530 deficit; southern extension sidewalks paving, none and \$81; special street fund, none and \$27,916; and 13 motor fund tax projects, \$218,207 and \$14,792.

City OKs Zoning, Annexation for New Apartments

Annexation of 4.33 acres along West Pontoon road for a million-dollar apartment development was approved Monday night by Granite City council members who also authorized a zoning change for the tract from R-1 single-family dwelling to R-5 multiple family.

The petition for annexation was submitted by Herbert and Martha Bischoff. The tract is between their home on West Pontoon road and the Melrose Addition. An additional five acres had been rezoned R-5 last year when plans were made and then abandoned for the Colonial Nursing home to be located there.

Development of the 20-building high apartment structures is to be handled by Morris Realty Co. The apartment houses are to be of colonial design and will be for 180 families.

Council members approved the annexation petition and zoning change ordinance unanimously.

Friday and Saturday

TB X-Ray Unit Will Be At City Hall Here 2 Days

The Madison County Tuberculosis Association chest x-ray survey resumed in the Quad-City area today with the x-raying of employees of Union Starch & Refining Co. throughout the day, and free chest x-rays will be made for the public in two appearances of the mobile unit at the city hall in Granite City Friday and Saturday.

The x-rays will be taken Friday from 9 a.m. until noon and from 6 until 9 p.m. Saturday's operation of the unit and will be from 9 a.m. until noon and from 1 until 5 p.m.

The unit will be stationed at the Granite City Army depot next Wednesday, March 24, from 8 a.m. until noon and from 1 to 5 p.m. on Thursday, and next Thursday, March 25, at the

GC Treatment Plant Financial Report

A monthly financial report of the \$2,245,243 sewage treatment plant fund was submitted to the Granite City council Monday night and showed a Feb. 28 balance of \$1,154,570 with \$54,570 in a checking account and \$1,100,000 in certificates of deposit. The report was referred to the Special Pollution Abatement committee.

Receipts included \$1,225,000 amount of the bond issue, \$19,920 accrued interest and \$323 interest earned.

Disbursements totaling \$90,673—\$6125 to the fiscal agent, \$23,305 interest, \$667 rent for the site at the Army Depot, \$48,680 plant construction, \$11,837 legal expenses and \$33 miscellaneous expense.

Airman Sifton Selected As Missile Specialist

Airman James E. Sifton, son of Mrs. Vida F. Sifton, 2315 East 24th street, has been selected for technical training as a missile maintenance specialist at the Air Training Command School, Chanute AFB, Tex.

The airman is a 1964 graduate of Granite City high school and a former student at Southern Illinois University. He completed his basic military training at Lackland AFB, Tex.

"PAT" RICH FOR CITY TREASURER

The Granite City police department will co-sponsor the 1965 conference of the Illinois Division of the International Association for Identification, the city council was informed Monday night.

Authorization was given for three officers to attend the March 26-27 sessions in East St. Louis with the city to pay \$75 expenses.

14 Bankruptcy Cases List Area Residents

Bankruptcies reported to the Associated Retailers in the latest listing include the following 14: Donald Wesley Allen, 1277 Olive street; Frances L. Baker, 2254 Lee avenue; Ralph Dale Conway, 8403 Collingwood road; William Travis Morgan, 2201 Benton street; Noah Edward Schmidt, 1512 Third street; Michael Whitfield Riley, 2311 East 23rd street; Donald Thomas Wells, 2942 Park avenue.

Vernon Oren Winn, Route Four, Edwardsville; Sherman Cox, 1005 Market street, Venice; Joe Hamilton Jr., 1118 Logan street, Venice; A. B. Jackson, 804 Madison, Madison; Lennor Smith, 810 Washington street, Madison; Carroll Lee Thompson, 1925 Fifth street, East Madison; and David Len Williams, 1107 Douglas street, Venice.

3 GC Police Officers To Attend Conference

The Granite City police department will co-sponsor the 1965 conference of the Illinois Division of the International Association for Identification, the city council was informed Monday night.

Authorization was given for three officers to attend the March 26-27 sessions in East St. Louis with the city to pay \$75 expenses.

Top Performance Review For Geo. E. Cochran

George E. Cochran, son of Mr. and Mrs. George A. Cochran, 1704 Moro avenue, received top reviews for a performance in the "Glass Menagerie" at Pensacola Naval Air Station where he is attending a Navy communications school.

Cochran, who had the role of the poor son, "gave a fabulous performance that most professionals couldn't match," according to a review in the base paper. He also has been invited to try out for a role in the Pensacola Little Theatre's next production.

CHEVELLE by Chevrolet

No other car of its size offers more

No matter how you look at it, this car makes a lot of sense. If you're interested in value (and who isn't), the eleven features above give you a good idea why more intermediate-size car buyers are thinking Chevelle.

performer. After that you may order from a variety of engines that turn it into an even greater highway performer.

Room? Large door openings. Wide curved side windows for extra shoulder room. Great front and rear leg room. Those four, five or six passengers have it made. And so do you. Chevelle may seat like a big car but

it handles like a smaller car. Comfort? Thick wall-to-wall carpeting in Malibu models. Foam-cushioned seats. Easy-to-read instrument panel. The whole interior looks like those in cars costing far more.

Drive something really new—discover the difference at your Chevrolet dealer's

Unincorporated Area Sales Tax Nets \$174,704 in 1964

Madison county government netted \$174,704 from the unincorporated area sales tax levied in unincorporated areas, a Press-Record compilation of monthly reports showed today.

The latest listing, for December, was \$2,359 (\$22,427 gross collection less \$19,068 deducted as 4% interest by the state for administrative costs).

The \$21,359 was a new all-time monthly high, exceeding the \$20,293 tallied for December 1963. But the \$174,704 figure for the past year falls slightly below the record of \$176,619 set in 1963.

Since the tax went into effect in Madison county Oct. 1, 1959, it has produced \$443,794, including \$25,258 in the final quarter of 1964, \$146,613 in 1960, \$148,071 in 1961, \$168,157 in 1962, and \$174,704 in 1964.

A monthly breakdown for 1964 follows: January, \$10,697; February, \$11,796; March, \$13,638; April, \$12,641; May, \$13,831; June, \$17,822; July, \$14,449; August, \$14,811; September, \$17,724; October, \$13,138; November, \$12,633; and December, \$21,359.

Says Abolition Of Army Reserve Weakens Nation

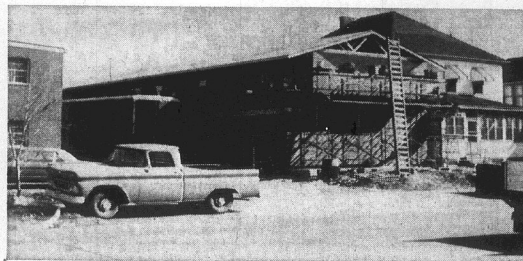

Jean W. Christy, industrial relations manager at Granite City Steel Co. and army reserve colonel, spoke against proposed elimination of the army reserves today at a meeting of the Granite City Rotary Club.

Emphasizing that he was addressing the Rotarians as a civilian, Christy voiced the opinion that this nation's defense and ability to strike back would be seriously curtailed by abolition of 21 of the present 45 divisions. Only 16 of these 45 are on active duty, he said, with the rest being reserve and national guard units.

Christy also said that, in addition to weakening U.S. military strength, he doubted if elimination of the 21 army reserve divisions would accomplish the \$130-million annual saving estimated by Secretary of Defense McNamara.

He exhibited a letter, signed by L. B. Johnson nine days prior to his election last November, in which Johnson praised the army reserves and described them as a vital factor in the nation's defense.

"But shortly after he was elected president, he approved with Secretary McNamara's recommendation to abolish the army reserves," Christy said.

NEARING COMPLETION in Madison is this new \$60,000 apartment building that has been under construction since last November. The two-story brick structure is located on Second street, just off Madison avenue. The building is being constructed for Clarence Sweheimer, 1507 Second street.

A member of the army reserves since 1941 and currently commanding officer of the 102nd Division Artillery, Christy said the reserves provide this nation with quickly available standby troops. The reservists meet for two hours weekly for 48 weeks, and also take two weeks of active duty annually.

"Although there is no such thing as regular army units any more due to the constant turnover of draftees, as reservists

we must meet all "regular" army, my inspection and other stand-

Col. Christy was introduced by Richard West, program chairman.

by, capital expenditures, such as building improvements or even new equipment are improperly charged off as current expenses under accounts for repairs, maintenance, supplies and legal expense.

Audits also reveal many instances of charging of personal expenses to such accounts as advertising, travel and entertainment, selling expense, miscellaneous expense or any other account where personal expenses might be included.

Philpott suggested that business taxpayers should carefully review all invoices to insure that personal items are eliminated before expenses are charged to their business accounts.

"Tax Guide for Small Business," which furnishes more detailed information on this subject, is available upon request from the Internal Revenue Service at 50 cents a copy.

Revenue Service Points Out Frequent Errors on Returns

District Director Jay G. Philpott of the Internal Revenue office in Springfield has pointed out some common errors in federal income tax returns filed by business and professional people. The errors include failure to take adequate inventories, omission of cash receipts from income, no records of expenses paid in cash, failure to include interest and dividend income, inadequate records of travel and entertainment expense, deduction of capital expenditures as current expense, and failure to eliminate personal expenses from business expense accounts.

The last two items are probably the most common errors found by Internal Revenue Agents in their audits. Frequent-

Eagle Park Association Re-Schedules Election

The Eagle Park Improvement Association has re-scheduled its annual election of officers for 4 p.m. Sunday at 205 Terry street, Eagle Park. It is announced today by Cleveland Johnson, president. The election meeting was previously slated for last Saturday.

All Eagle Park area residents are eligible to vote for the new officers and everyone is urged to attend the meeting, Johnson said.

Faces Conduct Charge

Lawrence H. Davis, 18, of 117 Garrow road, Venice, was arrested in Venice Monday afternoon on a charge of disorderly conduct. He posted a property bond pending a hearing March 29.

NEW MARLIN HARDTOP, featuring fastback styling, has been introduced by American Motors. The auto goes on display tomorrow at Brewer Motors, 2165 Madison avenue.

New Marlin by Rambler On Display Here Tomorrow

A new fastback hardtop, the wheelbase of 112 inches, overall length of 193 inches and stands 34 inches high.

The side view shows pillarless styling with the flowing roof line emphasized by the straight front-to-rear fender line. Rocker panels are covered with a ribbed chrome molding for beauty and protection from gravel marbling. The side window openings have a semi-elliptical shape and the side glass is curved.

The instrument panel is safety-padded. Luggage space measures 11.7 cubic feet. The Marlin colors are in black, silver, white, and three shades of aqua. There are 26 two-tone combinations.

GC Township Bills, Salaries, \$5350

Township disbursements totaling \$5350, including \$1466 for town purposes and \$3884 for relief, were approved Monday night by Granite City council members.

Relief expenditures were \$1269 for hospitalization and medical care, \$134 for convalescent home services, \$880 for food, \$279 for rent, \$41 to provide a ticket for a transient, \$4 for shoes and \$8 for utilities.

Administrative costs were \$23 for caseworker travel, \$900 for office employees' salaries, \$67 for telephone service, \$25 for postage, \$114 for employees' retirement, \$52 for a filing cabinet and \$5 for supplies.

The \$1466 town fund disbursements were \$802 for salaries, \$50 travel of Supervisor Hagauer and \$50 travel for Assessor Cruise, \$111 for employees' and officials' retirement, \$60 for assessor office telephone service, \$16 for janitor service, \$240 for deputy assessors, and \$36 for assessor office supplies.

Life insurance Character cannot be determined by one act or deed, but by habitual good conduct.

City to Offer Aid Toward Settling Water Co. Strike

The four-month-old strike of Laborers, Local 397 against East St. Louis & Interurban Water Co. was a topic of Monday night's Granite City council session when Alderman Ford Johnson called for the mayor and council to assist in settling the dispute.

His motion was approved unanimously by the council. The strike over wages and other contract terms began in November after the old contract expired Aug. 31, and the U.S. Mediation Service has been calling the meetings, including one today, since early February.

Officials of the water company contend the union is seeking pay scales substantially higher than those paid by the company to laborers in the East St. Louis and Belleville areas. Union officials maintain the new scale for 16 laborers here would be more in line with the rates paid to other laborers in the Quad-Cities area. Both sides have declined to disclose any figures.

In asking the council and the mayor to assist in settlement efforts, Johnson said he knew of one family that had moved into a new home without a water connection.

"They have a hose from a neighbor's house and also have to carry water in buckets for cooking and sanitary needs. This is a disgrace," he said.

Initiative Set the pace—don't follow in the footsteps of others if you wish to be a leader.

2 Home Beauty Shops Ok'd; Patio Poses Problem

Vacations in the zoning code to permit beauty shops to be located in two private homes were granted by the zoning board of appeals and approved Monday night by Granite City council members. The council also received a letter from Earl Bloomquist, city building inspector, who reported a side boundary line violation involving a patio.

The variances for beauty shops were provided for Mrs. Dorothy Tedder at 2326 Iowa street and for Mrs. Jean Hatch, 3505 Johnson road. Off-street parking is to be provided at both locations, according to David E. John, chairman of the appeal board.

City Atty. George Filcott Jr. was instructed to file a complaint against Walter Rozycki for a reported boundary line violation at 2016 Lindell hwy. that had been noted by Bloomquist.

The building inspector told the council that Rozycki had been in line with the rates paid to other laborers in the Quad-Cities area. Both sides have declined to disclose any figures.

Family has several small children and the 120-day-old strike is causing problems," the alderman pointed out.

Water Co. officials say they have about 45 new homes and a 48-unit apartment on the connection waiting list.

Council Committee to Aid Cemetery Improvement

A special council committee—Granite for development as a Cemetery Improvement — was named Monday night by Mayor Davis to work with interested individuals and Assistant City Inspector William Jenkins to acquire the old cemetery in East Ward. The committee is headed by Mayor Davis, with Mrs. Betinee of the Seventh Ward, Nann of the Fifth Ward and members of the three Catholic council members to the committee since an area of the double cemetery tract is Protestant. Mayor Davis made no changes, and told the council the main purpose was for the committee to assist in getting the deed for the tract so that it could be turned over to the park district for development and improvement. "The committee is to assist in arrangements for the final disposition of the legal work," Davis added that the ultimate goal is to clear the "blight to the community."

RAMP APPROACH to the second floor of a new storage addition under construction at the B. E. Hohl, Inc., auto agency, 1837 Madison avenue, will permit storage of a

greater inventory of new cars. The concrete addition is expected to be completed in early May, according to B. E. Hohl, operator of the agency. By Press-Record Staff Photographer

Local Firm Bids Low On State Building Project

R. Dren Electrical Co. was the apparent low bidder with a \$13,527 figure for a state project to rehabilitate the District 8 Division of Highways office and garage building at French Village.

The building also had been the state police headquarters. The general contract low bid was \$24,900 submitted by R & R Construction Co., Alton.

—TRY A CLASSIFIED AD—

Local Serviceman Assigned to Scott AFB

Master Sgt. Wallace N. Tompkins, son of Walter C. Tompkins, 2844 Edwards street, recently arrived for duty at Scott AFB, where he has been assigned to a Military Air Transport Service unit.

Sgt. Tompkins, a work control technician, attended Granite City high school. He was previously stationed in Bermuda. He is married to the former Miss Joyce Dull of Troy, Ill.

Man Arrested Twice In 40-Minute Period

Ronald R. Nipper, 20, of St. Louis, was in jail at Venice Tuesday, holding the dubious record of being arrested on one charge, released on bond and re-arrested on two more charges within a period of 40 minutes.

Nipper was arrested at 1:15 a.m. Tuesday on Broadway after he passed the McKinley bridge toll station without paying the toll charge. He posted \$25 cash bail, pending a hearing March 22 and was released at 1:40 a.m. Fifteen minutes later he was arrested on charges of curfew violation and disorderly conduct for throwing a quarter in a toll collector's face as he passed the bridge station on his way to St. Louis. Officers in a squad car who had followed Nipper to the bridge to be sure he left Venice made the second arrest.

Council Opposes GM&O Train Consolidation

Granite City council members voted Monday night to oppose the request pending from the Gulf, Mobile & Ohio Railroad to consolidate and reschedule two night passenger trains running in each direction between Chicago and St. Louis.

A hearing before the Illinois Commerce Commission is to be held March 26 at Chicago, and City Atty. George E. Hoff Jr. and the council's legislative committee headed by Alderman Betinee were authorized to attend the hearing, and Alderman Nann called for the committee also to go to Chicago. The railroad said the four night trains—two in each direction—are primarily mail trains and were operated last year with a deficit of about \$283,000. The southbound trains averaged less than 4 to 50 passengers per trip.

Local Men to Enter Boot Camp April 1

Marine Pvt. Ronald E. Goforth, son of Mr. and Mrs. Russell Goforth, 1329 Meridian street, and Marine Pvt. Robert L. Lurance, son of Mr. and Mrs. Leonard Lurance, 2729 Sunset drive, will leave Granite City April 1 for recruit training at the San Diego Marine Corps Base, Calif.

Goewert Named by Mayor For Plan Commission

Ferd Goewert, executive secretary of the Tri-Cities Chamber of Commerce, was named to the City Planning Commission Monday night by Mayor Davis. Goewert replaces Alvin T. Barnes Jr., former executive director of the Associated Retailers, who recently moved from the city. Goewert's term began Tuesday. His appointment was confirmed by the council.

\$800 House Fire

Damage was estimated at \$800 in a fire at the home of Charles Peake, 2145 Pontoon road, Tuesday morning, as shrubbery, an awning and roof shingles burned. The fire apparently was caused by flying embers igniting dry grass, firemen said.

Careless Driving Charge

Ronald J. Wickman, 2018 Wayne avenue, was arrested at 10:20 p.m. Monday on Edwardsville road at East 21st street on a careless driving charge. He was ticketed for a hearing on Saturday.

Nameoki Twp. Board to Meet with Citizens on Growth Plan

A recommendation in favor of a land use study in Nameoki township was proposed by members of the township planning committee in a preliminary report presented Monday night at a meeting of the township board.

The township board's regular meeting. Members of the township sewer advisory committee are to discuss details of the proposed overall master growth plan at a special meeting set for 7 p.m. Saturday.

The recently-appointed township board planning committee, headed by Herbert Polley, further recommended that Township Supervisor Harry Briggs be given authority to negotiate with the Southwestern Illinois Metropolitan Area Planning Commission for detailed costs concerning the land use study, with the costs and the proposal to be presented to the board at the annual town meeting April 6.

An approximate cost of \$30,000 is estimated for such a study, with two-thirds of the amount repayable to the township from federal tax funds.

Superior Briggs, who called for Saturday's session with the sewer advisory group, pointed out to the board members that the group represents various sections of the township and the special meeting would enable the master growth plan to be generally discussed by interested citizens prior to the April 6 meeting.

Meetings With SWIMAPC
In presenting the recommendations, Polley said the township planning committee met March 3 with Theodore Milsted, executive secretary of the Southwestern Illinois Metropolitan Area Planning Commission, and Al Berg, a SWIMAPC staff member. The committee met again March 7, he said, to consider the pertinent information and formulate their proposals. The committee believes a land use study is necessary to promote future growth and expansion in the township, both industrially and population-wise, Polley added.

Although not limited to the items listed in the committee's official report to the board, the overall master growth plan would include: a land use study of potential economic and population increase; a utility study involving both present and future services that might be needed; development of recreational facilities; and in the Horseshoe lake development, open spaces and their possible future uses and a companion study of basic physical land characteristics.

The area of planning, which would deal with conservation, would include the possibilities of a sanitary land fill program and preservation of agriculture; and recommendations for primary and secondary roads. A housing study would detail different programs possible under the Federal Housing Act. One program mentioned in the report, specifies a portion of the Act whereby a township residents under certain conditions, could rebuild his home on his own property through the Federal Housing Administration.

Under the heading of capital improvements, the report stated that SWIMAPC would program a series of improvements to create a continuity of development in priority in all areas of development.

Instruction Program
In other action by the board Monday night, Briggs appointed John Karlesch, William Schrieber and Polley, to coordinate efforts with surrounding communities in participation in a wage instruction program in cooperation with the Office of Economic Opportunity. A letter, concerning the educational program, sought the township's approval in setting up an eight-week summer session for high school drop-outs

and underprivileged youths. According to the letter, the program is primarily administered by volunteer personnel, with federal reimbursement up to 90% available towards the cost of establishing such a program.

Bids to Curb Mosquitoes
No action was taken on the feasibility of promoting a program among township residents to attract colonies of Purple Martins, a small bird which consumes vast numbers of mosquitoes and other insects. The project was discussed by Schrieber, who said should the board be interested in the program it will require immediate attention, as the birds will shortly migrate south. Schrieber was asked to gather additional information of the project and report back to the board.

Schrieber also mentioned the possibility of preparing a township brochure to attract industry into the area. He reported that since the brochure idea was discussed some time ago, he had personally compiled a file of 160 business firms which are interested in expanding their operations into this area.

The only reference to the township's sewer program made at Monday night's session, was in the form of a rebuttal by Schrieber to statements which he said he had heard that the township's sewer proposition was carried out hastily. He quoted a newspaper item dated Oct. 11, 1962, which related initial planning on the sewer proposal had begun.

In routine business, the board authorized payment of bills totaling \$378 from the road and bridge fund, and \$37 from the town fund.

The next regular meeting of the township board was set for Tuesday, March 30, for a public hearing on the annual budget.

approved by the council. No competitive bids are to be sought, even though the council's Pollution Abatement committee had suggested the call.

The added cost of \$5374 to be paid to the Kramling-Sanderson filter manufacturing company includes \$1210 for higher grade stainless steel in the filter decks and heads, \$726 for stainless steel pipes, \$2324 for lining the filter tanks and \$1114 for protective coating for the filter agitators. In addition, \$399 is to be spent for bronze fittings for a sluice gate.

Alderman Bartosik objected to the \$125 monthly fee for house inspectors which was set up in the original ordinance, pointing out he considered a house trailer to be equivalent to a home.

A resolution authorizing changes in the sewage treatment plant filter equipment to comply with changes recommended for bid by industrial engineers was

Lower Sewer Rental Fees For GC Schools Voted Down

An amendment to the Nameoki area sewer rental ordinance which would have cut the monthly fee for schools and also set a fee for apartment units which now are not covered by the original ordinance was voted down Monday night by Granite City council members. Mayor Denis cast the deciding vote when the council's count was 8 for and 5 against.

The amendment, which had been placed on first reading two weeks ago, was presented in the final half-hour of the three-hour session, and three aldermen had departed. Absent were Moerlein, Nunn and Bergfield. However, Bergfield returned shortly after the action was taken.

Voting for the amendment were Partney, Skubish, Mrs. Bettines, Johnson, Deyd, Sternberg, Thompson and Pegre. Opposed to it were Rutledge, Whitmer, Basasich, Bartosik and Dallas.

The ordinance would have cut sewer rental fees for schools in the Nameoki area from the present

rent \$40-to-\$60-a-month to lesser amounts of \$6 to \$12, depending on the size of the building.

The fee for apartment units would have been \$125-a-month, since the city would not relate the developer the cost of trunk lines as it has under subdivision developments in which the monthly fee is \$250 per home.

Alderman Bartosik objected to the \$125 monthly fee for house inspectors which was set up in the original ordinance, pointing out he considered a house trailer to be equivalent to a home.

A resolution authorizing changes in the sewage treatment plant filter equipment to comply with changes recommended for bid by industrial engineers was

Rapid Transit System To Be Reviewed Mar. 26

Rapid transit systems in major cities of the U.S. and the problems of developing a system for the Illinois-Missouri metropolitan area will be reviewed in an hour-long program to be presented Friday, March 26, from 7:30 to 8:30 p.m. on KMOX-TV.

Special guests will include Ellis Henry, traffic commissioner for St. Louis; Col. R. E. Smyser Jr., executive director of the Bi-State Development Agency; and Guido Moss, vice-president and operations manager of the Bi-State Transit System. The program is entitled, "The Commuters' Special."

MRS. JOSEPH WICKHAM RETURNS FROM WEST

Mrs. Joseph Wickham, 2937
Dogwood drive, returned Tues-
day from Lompoc, Calif., after
spending the past month with
her son-in-law and daughter, Mr.
and Mrs. Robert Brenner, and Mrs.
Brenner. The Brenners are par-
ents of a son born Feb. 14,
weighing six pounds, 13 ounces.
He has been named Robert
Douglas and has a sister, Robin
Lynn, two and one-half years
old.

Mr. Brenner is stationed at
Vandenberg Air Force Base.
Mrs. Brenner is the former
Charlotte Wickham.

Lack Persistence

Many a man on the road to
success fails because he gets off
at the wrong station.

Past Matrons Hold Election

Officers for the coming season
were elected Tuesday evening at
a meeting of the Past Matrons
Club of New Hope Chapter 432,
Order of Eastern Star. They are:
Mrs. Lou Anderson, president;
Mrs. Bess Weiss, vice-president;
and Mrs. Helen Metz, secretary-
treasurer.

The meeting was held in the
home of Mrs. Mary Connors on
Fourth street, Madison, and St.
Patrick's appointments were
used.

Prizes in the games were won
by Mrs. Dorothy Edwards, first
at the Elk's Club. There
was a guest, Mrs. Mary
Taylor, Mrs. Thelma Johnson
and Mrs. Ida Scheyer.

Others to whom refreshments
were served from a table carry-
ing out a green and white color
scheme were Mrs. Ann L. Moul-
ler, Mrs. Amalia Jung, Mrs. Ma-
rie Hoekstra, Mrs. Frances
Cooke and Miss Anna Wilcox.
The April meeting will be with
Mrs. Louise Cook.

SECRETARIES GROUP HOLDS BOARD MEETING

A board meeting of the Tri-
Cities Chapter, National Secre-
taries Association (International)
Amso Plumbing Co. offices.
Mrs. Dorothy Lawrence called
the meeting to order and reports
were given and plans discussed
for the Chapter's bid for the Illi-
nois Division meeting May 15.

Mrs. Twila Edwards reported
on program plans for Secretaries
Week April 18-24 and applica-
tions of three new members were
received.

The next regular meeting of
the Secretaries will be held Ap-
ril 11 at the Elk's Club. There
will be a guest speaker present
and members are urged to at-
tend.

Present at Tuesday's meeting
were Charlie Vunovic, Jane Da-
vis, Esther Rensing, Mary Seel-
kum and Twila Edmonds.

4-H Club Hears Report on School

The Junior Fifty-eighters 4-H
Club met Monday evening in the
Fellowship hall of St. John
Church of Christ, and
Rita Briedenbach, vice-presi-
dent, was in charge.

A report was given of the offi-
cers training school held recent-
ly in Edwardsville. Mary Ann,
president, explained the purpose
of the school was to acquaint
the vice-president with her du-
ties in conducting a meeting.

Mrs. Robert Brave, the leader,
discussed the club's fund-raising
project and coupons and stamp
books were distributed among
the members.

Kathy Carroll gave a step-by-
step illustrated talk on putting
in zippers. Sherri Holt dem-
onstrated "setting an attractive
table" which led to a group dis-
cussion on coordinating china,
silverware and tablecloths. Nan-
cy Barton's demonstration was
entitled "platter chatter" during
which she made a pizza. The
"casserole treasure" made by
Christy Brave was a hearty
salmon bake. Nancy Hamilton's
talk encouraged members to eat
a good breakfast in order to
have a good day.

There was group singing and
refreshments were served by
Mary Briedenbach and Donn
Williamson to those who took
part on the program and Pamela
Brewer, Nancy Ehler, Nancy
Forende, Cathy Gundlach, Patty
Jacobs, Susie Krohne, Dottie
Lofink, Cullen McDaniels, Su-
sanne Ringering, Gail St. Ivary,
Alice Rodell, Sandra Hason, An-
drea Rozzack, Martha Sator,
Dorothy Squires, Linda Meyer,
Nancy Polson and Miriam
Hughes.

Talks and demonstrations
were assigned for the next meet-
ing April 1. Members enrolled in
the knitting project will meet
for instructions Monday, March
22.

According to the United States
Public Health Service, during
the past year, more than 200,
000,000 acute respiratory ail-
ments affected the American
people, accounting for 292,000
days spent in bed.

Held for Prowling

David E. Rozell, 23, of 721
Twenty-seventh place, was held
in the Venice city jail Wednes-
day on a charge of prowling. Ro-
zell was arrested at 3:50 a.m. at
131 Lee Wright homes in Venice
after police received a call that
Rozell kept knocking on the
door.

Eggs Smashed on Car

The fourth time this month,
vandalism smashed eggs on the
auto of Gina Birdsong, 2237
Benton street, Tuesday night
when the car was parked at her
home, it was reported to police.

Illinois Nurses' Week
Planned for March 21-27

Gov. Otto Kerner has pro-
claimed March 21-27 as Illinois
Nurses' Week "to focus public
attention on the influence of
high nursing standards on good
health care."

The week is sponsored by the
Illinois Nurses' Association and
its 20 districts. The president
of District 100, which includes
Madison county, is Mrs. Hilda
DeFratres of Alton.

**Walter Bolliger Named
President of Firm**

Walter U. Bolliger, a former
Granite Cityan, this week was
elected president of the Rosen-
feld Federal Savings & Loan As-
sociation in St. Louis, succeed-
ing George S. Metcalfe, who is
to retire May 1.

Bolliger, who has been vice-
president of the association since
1953, is the son of Rudolph Bol-
liger, 2208 Adams street, and
brother of the wife of Mayor
Davis.

**Thithing is
Class Topic**

"Thithing" was the topic of the
devotions and stewardship les-
son given by Mrs. Iva Olive
Tuesday evening at a meeting of
the Doreas Class of First Bap-
tist Church held in the church
parlor.

Mrs. Imogene Claxton president
and the project for the month,
the providing of new draperies
for the ladies parlor, was an-
nounced.

The teacher, Mrs. Effie John-
son, read a poem entitled "Only
A Housewife" and discussed the
topic, "What Is Your Price
Tag?"

The meeting closed with the
Lord's Prayer.

Refreshments were served by
the hostesses, Mrs. Katie Pen-
nock and Mrs. Florence Medaiff.

**DR. AND MRS. BOWERS
RETURN FROM TOUR**

Dr. and Mrs. W. W. Bowers
returned Monday from a vaca-
tion tour of the south. They
spent some time in New Or-
leans, La., and Natchez, Miss.
In Natchez they took part in
an anti-bellum tour of the
homes and gardens sponsored by
the garden clubs of that city and
enroute stopped in Little Rock,
Ark., for a short visit with Mrs.
Ada Bowen, formerly of this
city.

Mrs. Mary Kello, 77, Dies in Hospital

Mrs. Mary Kello, 77, of 823 Grand avenue, Madison, died in St. Elizabeth Hospital at 9:10 p.m. Tuesday following an illness of seven months. She had been in the hospital one week. Death was due to complications following a broken hip received in a fall.

Mrs. Kello was born in Troy and had lived in Madison 68 years. She was a member of the St. Mary's Greek Catholic Church, Madison, and a member of the Ladies Society of the church. Her husband, Frank Kello, preceded her in death in 1947.

She is survived by four sons, Steve and Nicholas of Madison, and Pete and Paul of Granite City; three daughters, Mrs. John (Marie) Polson and Mrs. Joe (Helen) Svoda, both of Granite City, and Mrs. Anna Kondrat of Madison; two brothers, Pete Securka, Madison, and Paul Securka, Pittsburgh, Pa.; seven grandchildren and 11 great-grandchildren.

Funeral arrangements are given in today's obituary column.

Mrs. Hess, Former Resident, Dies at 56

Mrs. Venora Calvert Hess, 56, of Sherrill, Mo., a former Granite City resident, died about 8 p.m. Tuesday at a Waynesville, Mo. hospital where she had been a patient for a week. Mrs. Hess had been ill with diabetes for three years.

She lived in Granite City from 1917 to 1943, while her husband, Joseph, worked at Granite City Steel Co. He now is employed at a sawmill at Sherrill.

Other survivors are three daughters, Miss Martha Hess of 2254 Washington avenue, Granite City, and Misses Joyce and Loretta Hess of Sherrill; a son, Wilbur, of Sherrill; a sister, Mrs. Martina Mayor, 2207 Lincoln avenue; and two brothers, John Calvert of 2223 East 23rd street, and Elmo Calvert of the Methodist, Mo.

Services will be conducted at the Church of Christ at Licking, Mo., where Mrs. Hess was a member. Arrangements are incomplete.

Political Signs Damaged

Several political signs were removed from a yard at 3849 Iowa street then thrown into the street, it was reported to police Tuesday night.

BUHRS LEAVE FOR KANSAS ARMY BASE. Specialists-Four and Mrs. David Buhr left Monday for Fort Riley, Kan., where they will take up residence. Buhr has returned from Fort Davis, Texas, where he was stationed for the past two years.

For the past year, his wife, Linda, has resided with her parents, Mr. and Mrs. Milton Sterns, 503 Washington avenue.

YAK YAK CLUB MEETS WITH MRS. SIMMONS. A regular meeting of the Yak Yak club was held Monday evening with Mrs. Clara Simmons as hostess.

Mrs. Beulah Sizemore, president, was in charge of a business session. Reports were given and plans were made to send a joint letter to a member, Mrs. Ethel Moore, who is a patient at DePaul Hospital.

Games were played and prizes were awarded to Mrs. Sizemore and Mrs. Fern McMillen. A St. Patrick's theme was carried out in table decorations and a luncheon was served by the hostess.

Others present were Mrs. Doris Scarlett, Mrs. Grace Backs, Mrs. Stella Boone, Mrs. Faye Smith, Mrs. Frances Cowley and a guest, Mrs. Emily Adams.

Hostess for the Mar. 20 meeting will be Mrs. Smith.

St. Mark's Brownie Troop 198 met Monday afternoon in the church basement with the leaders, Mrs. Mary Simmons and Mrs. Catherine Hildebrand. The meeting opened with the Brownie promise and the pledge of allegiance.

Theresa Burgener, Rita Shodorski, Sheila Simmons, Mary Catherine Miller, Marilyn Canoso, Sharon Maurer and their leader, Mrs. Eva Maurer, of Cascade Troop 161 were visitors at the meeting.

The Cadettes, who are working toward a "game" badge, taught and participated in games with the Brownies. Treats were served by the Brownies.

Others present were Kathy Williams, Laurie Schmidt, Judy Lopez, Mary Beth Scaturro, Susan Wells, Mary Davenny, Christine Ochoa and Margie Shambo.

STATE OFFICER CONDUCTS SCHOOL OF INSTRUCTION. Venice Rebekah Lodge 570 held a regular meeting Monday evening at the Odd Fellows hall with the noble grand, Mrs. Ethel Dumavanti, in charge.

Mrs. Alma Fories of East St. Louis, vice-president of the Rebekah Lodge Assembly, conducted a school of instruction.

A social time followed and a dessert luncheon was served to approximately 25 persons.

MEETING NIGHT CHANGED FOR HOME COMING GROUP. Board members of the Homecoming Association held a meeting Tuesday evening at the Venice city hall with Alfred Pace, president, in charge.

Reports were given and it was announced that future meetings will be held on the fourth Tuesday of each month.

Others present at the meeting were Mrs. Freda Leaton, Bernard Anderson, William K. McLean, Lloyd Boerckel, Dan McGee, Lloyd Patterson, Walter Simmons and Ray Robbs.

The next meeting will be held April 27.

The Homecoming class met Tuesday evening at the First Baptist Church on Klein street.

Mrs. Claraette Boyd opened the meeting with prayer. Roll call was answered by Bible verse.

The devotion by Mrs. Mary Anderson was in story form, entitled "Thank You Lord."

Plans were made to send a box filled with various items to the Baptist Children's Home in Carmel, Ill. Easter hats will be created by the ladies and will be worn at the next meeting.

As social time was enjoyed and games were played. Prizes were awarded to Mrs. Anderson and Mrs. White. The birthday of Mrs. Hassie Hyden was celebrated and she received a gift from her secret pal.

A dessert luncheon was served by Mrs. Hyden, hostess for the occasion, to Mrs. Mavis Brown, Mrs. Irene Todd, Mrs. Mary Metzger, Mrs. Bernice Vaughn and those named.

The next meeting will be held April 20 with Mrs. Vaughn as hostess.

Members of the Junior Girls Auxiliary of First Baptist Church met Tuesday afternoon at the home of Mrs. Gladys Nash of Fillmore street.

Mrs. Marie Zeigler, counselor, opened the meeting with prayer.

Arlene Nash, president, was in charge of the program, "Sweet Land of Liberty." Readings were given by the group. The auxiliary's theme song, "Tell a Story to the Nation," and "America" were sung. The meeting closed with prayer.

Others attending were Alice McVainne, Robin Schrader, Shelley Marsaglia and three guests from the Sunbeam class, Nancy Marsaglia, Patty Schrader and Yolanda Stengle.

The next meeting will be held April 6 at the church.

Collide on Broadway

Two autos were damaged in a 7:20 a.m. collision Wednesday at Sixth street and Broadway in Venice. Police said cars driven by Allen White, 45, St. Louis, and Amelia Chomko, 42, of 2334 Sheridan avenue, Granite City, were both headed west on Broadway when the collision occurred.

Parked Car Struck

A Black & White taxicab operated west on 18th street turned too sharply near Edison avenue and struck a parked car belonging to Louis Franzena of Collinsville. Police said the cab driver was Jack Putnam of 2001 Edison avenue.

Short-Fuse

In the horse and buggy days a mean driver continually snapped his whip—nowadays he just toots his horn.

Tip to Motorists

Our high-powered automobiles become high-powered weapons when handled by careless people.

"PAT" RICH FOR CITY TREASURER

Wet Pavement—Crash

Nancy Feldman, 3807 Kirkpatrick Homes, told police wet pavement Wednesday morning caused her to lose control of her westbound auto and hit a parked auto on Niedringhaus avenue at Olive street. The parked car belonged to Raymond Johnson, 62 Garschke Homes, Madison.

Temporary Policemen

Hiring of three temporary policemen as replacements for regular officers on vacation is to be studied by the Granite City council. The vacation period extends from late April through

October—over six months. Tuesday at 10:30 a.m. in Jewish Hospital, St. Louis, where she

The request was made to the county board by John Whittner, chairman of the Police Committee, who asked the board to purchase two-way radios if there are sufficient funds available for the temporary oficers.

Mayor Davis pointed out that any temporary officers would be required to take the required examination and be sworn in by the Fire and Police commissioners to qualify for the jobs.

At the end of the meeting, the purchase of a General Electric two-way radio for a seventh po-

lice officer was approved. The man had been a patient seven hours. Death was due to a heart ailment, which was in fairly good health for seven years.

Mrs. Skierle was born in Yugoslavia, the daughter of a member of the Holy Trinity Bulgarian Eastern Orthodox Church and a member of the Macedonian community.

She is survived by her husband, Pete George Skierle; one son, Thomas George Skierle of 1001 E. 10th St.; and two daughters, Yana Yagust, Yugoslavina; four grandchildren and one great-grandchild.

units in the other six pursuit
autos. New cars have been purchased. The two-way radio will
cost \$875.

Get a Horse! Too Hard to Drive a Car in Granite City

TRAFFIC, its routing, regulation and violation enforcement, has become an ever increasing city problem. Despite its increasing impact on community life, it certainly hasn't been receiving the attention it deserves from our city government.

As quoted from the records in last Thursday's

accidents, traffic congestion, accident incidence and severity are ever on the increase. The James E. McGhee High School campus of our town constitutes the St. Louis merchants' best selling area. The congestion as school entrance and exits is a constant times defies description. Stop Signs have become practically ineffective by sheer overabundance and general lack of common judgement. We have spent our money in solving traffic problems, but are recommending members of the past for their influence to foresee the traffic problems of our day.

[illegible]

and the increasing enlightenment of our residents recommends the following approach to the solution of our TRAFFIC problems; an approach I will, as you will wish to hear, support and judgment of the Council and professionally trained Traffic experts. We shall act in detail and promote vigorously.

CONTROL OF A TRAFFIC CONTROL COMMISSION, charged with these specific responsibilities; namely, to request investigation and location recommendation; establish a system of traffic signs and terms with traffic ARTERIALS TO CARRY TRAFFIC; reassess the need for one-way streets; com-

EXCITEMENT, by the excellent example of Council Commission leadership, of law enforcement officials and business and industry leaders to full effort on traffic problem elimination.

CALL FOR THE BEST example of Council, Commission and Civic leadership of the community, selfless, cooperative effort on traffic problem elimination.

ELECT AN Eminent civic leadership for your town. Elect a full effort, fully supported, civic leadership put a new pump on the old machine! Dump that mismanaged machine! Vote for Genes!

Get a Horse! Too Hard to Drive a Car in Granite City

TRAFFIC, its routing, regulation and violation enforcement, has become an ever increasing city problem. Despite its increasing impact on community life, it certainly hasn't been receiving the attention it deserves from our city government.

As quoted from police records in last Thursday's issue of the Press-Record, accident incidence and severity are ever on the increase. The jammed shopping areas of our town constitute the best selling merchandiser's best selling point. The congestion at school entries and exits at peak times defies description. Stop signs have become ridiculously ineffective by their own volume and number and lack of beacon judgement. We have spent our time not only on traffic problems but in condemning the plan-

As quoted from police records in the first issue of the Press-Record, accident incidence and severity rose ever on the increase. The jammed shopping areas of our city constitute the St. Louis merchandiser's best selling point. This condition as the statistics and exits at peak times defies description. Road signs have become practically ineffective by their own overabundance and lack of location judgement. We have spent our time not only in traffic jams but in contemplating the plan for the traffic jam, our inability to foresee the traffic problems of our day. I believe it could be done, our time in working diligently on the problem at hand and the more we do in the past to improve our judgement for the future. There are some things that break in the traffic cloud. Some of the beginning of the traffic jam is the realization that streets must carry TRAFFIC, not act as a parking lot. Enlightened merchants discourage potential shoppers from hunting for a place for a parking spot. They encourage them to realize shop planning calls for traffic planning. Traffic problems and the increasing enlightenment of our residents recommends the approaching solution of the problem of our TRAFFIC. The solution of our TRAFFIC problem, I will, with the aid of the wisdom and judgement of the Council, recommend to the TRAFFIC experts, set out

ability to foresee the traffic problems of our day. I believe we could better spend our time in working diligently on the problem at hand and using the mistakes of the past to improve our future. I am confident that there are some bright brains in the traffic crowd. I am confident that we can realize that streets must carry TRAFFIC, not act as if they were not there. Enlightened merchants discourage potential shoppers from hunting at a small's place for a parking spot. School officials and parents realize school planning calls for traffic planning. Our present problems and the increasing enlightenment of our citizens require the following approach to the solution of our TRAFFIC problems, an approach that will be as your Mayor, with the help of the Department of the Council and professionally trained TRAFFIC experts, set out in detail and vigorously vigorously.

CONTROL OF TRAFFIC
CONTROL COMMISSION. Charged with these specific responsibilities, the Commission will request investigation and location recommendation; establish a traffic code; set terms with traffic ARTERIALS; and carry TRAFFIC complete reassessment of our one-way streets; com-

meter routes for elimination of "through town" traffic to get "across town" taking a new look at customizing and adjusting off-street parking.

CREATION With Council and judgment of necessity staff and budget to carry out the mission.

CREATION With Council help and judgement, a workable program will be professionally qualified traffic consultant.

CREATION With the voting public's help, of an attractive community image enhanced by swift and safe movement of the traffic of the city industry with ample protection for pedestrians of all ages.

CREATION By the example of Council and Commission leadership, of law enforcement, industry and business and industry leaders to full elimination of traffic problem elimination.

EXCITEMENT By the example of Council and Commission and Civic leadership of the townspeople to full, unselfish participation in the effort on traffic problem elimination.

EXCITEMENT By the example of Council and Commission leadership for their own. Elect a full effort, fully, fully, fully. Don't just put a new face on the old machine! Dump that miserable machine! Vote for Gene!

963-6766

Let's make them Granite City's Best Years

BEING

FOR MAYOR

AS quoted from police records in last Thursday's issue of the Press-Record, accident incidence and severity are ever on the increase. The jammed shopping areas of our town constitute the St. Louis merchandiser's best selling point. The congestion at school entries and exits at peak

times defies description. Street scenes are so undeniably and disgustingly ineffective by their overabundance and general lack of order that judges and lawyers have spent our time not only in traffic court but in the courtroom. In the past, the inability to keep the traffic courts from overflowing with the problems of our day, I believe, would have added to our time in working diligently on the problem at hand and to the frustration of the past to improve our present. There are some bright ideas for the traffic courts. People are beginning to realize that streets must CAR-pool, not be used for traffic-obstructing garages. Enlightened merchants recognize that parking spaces are better for hunting at a snail's pace than a parking lot. School officials and parents are now planning classes for traffic planning. Our present problems and the resulting congestion of our residents recommends the following approach to the problems of our city. Our approach I will, however, leave to the wisdom and judgement of the Council. I personally thank the Council for its support of the TRAFFIC experts, and

G. H. STERNBERG

complete reexamination of bus routes to give more service with less congestion; creation of a number of perimeter routes for eliminating the need for a traffic light to get "across town," take a new look at customer parking, and

CREATION with Council approval and judgement, of an advisory staff and budget to assist the Council in the TRAFFIC with Council help and judgement, a working relationship with a professionally qualified traffic planning firm.

CREATION, with the voting public's help, of an advisory staff to enhance and enhance by swift and safe means the city's business and industry with ample parking for pedestrians of all ages.

EXCITEMENT, by the example of Council and Commission leadership, of law enforcement officials and a law enforcement staff to fully effort on traffic enforcement.

EXCITEMENT, by the ex-

times defies description. Still, it has been time ripidly ineffective by overabundance and general lack of location judgment. We have spent our time not in solving traffic problems, but in making the planners of the past for their inability to foresee the traffic problems of the future. I believe we could better spend our time in working diligently on the problem at hand and using the mistakes of the past to improve our judgement for the future. There are some bright breaks in the traffic picture. People are beginning to realize that streets are not a parking lot. RV TRAFFIC, not act as traffic-obstructing garages. Encourage incentives to discourage potential shoppers from hunting at a small's parking lot. School officials and parents are making a strong call for traffic planning. Our present problems and the increasing enlightenment of our residents recommends the following approach to resolution of our TRAFFIC problems: an approach I will, as your Mayor, with the help and judgment of the Council, officially and professionally trained Traffic experts, and citizens in detail and promote vigorously.

CONTROL OF A TRAFFIC-CORRUPT COMMISSION, charged with these specific responsibilities: to request investigation and recommendations for the establishment of traffic patterns with traffic ARTERIAL CARRY-ALLWAYS, a complete reassessment of our one-way streets; complete reexamination of bus routes to give more service with less congestion; creation, where possible, of pedestrian routes for elimination of "through town" traffic to get "across town" take a new look at custom-creation off-street parking.

MARKING - with Council help and judgement, of necessary signs and markings to handle Commission business.

CREATION - with Council help and judgement, of a new relationship with a professional, qualified traffic consultant.

CONSULTATION, with the voting public, to give an attractive community image enhanced by swift and safe traffic flow.

TRAFFIC - with Council help and judgement, of business and industry with people and for pedestrians of all ages.

EXCITEMENT, by the example of Council and Commission leadership, of law enforcement officials and citizens to full effort on traffic problem elimination.

COMMITMENT - by the example of Council, Commission and Civic leadership of the community to full, selfless, cooperative effort on traffic problem elimination.

LEADERSHIP - by the example of Council, Commission leadership for your town, to full effort on traffic problem elimination.

QUALIFIED Mayor, not just put a new face on the old machine, but a new face on the old machine! Vote for Gene!
